

SUMMARY OF IMPLEMENTATION OF CDF PRINCIPLES - ASSESSMENT AS OF MARCH 2005

LONG-TERM HOLISTIC VISION

- Coherent long-term vision
- Medium-term strategy derived from vision
- Country-specific development targets
- Holistic, balanced and well-sequenced strategy
- Capacity and resources for implementation

COUNTRY OWNERSHIP

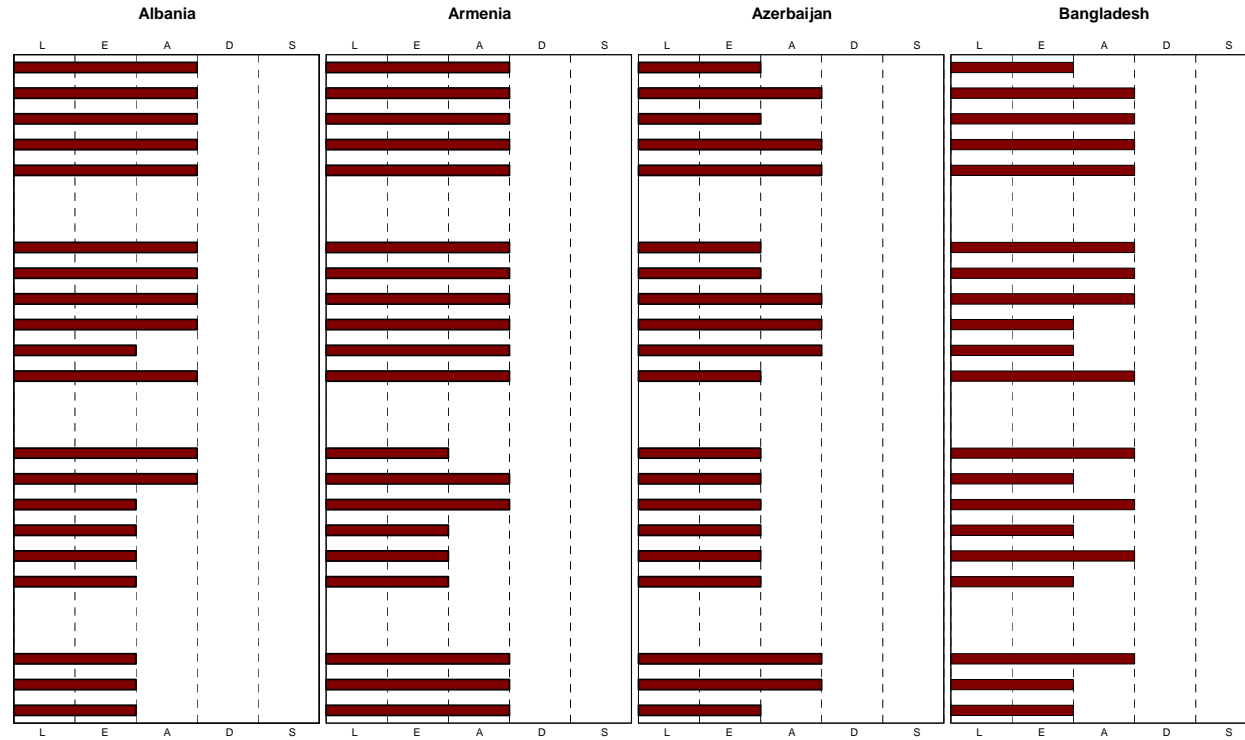

- Government initiative
- Institutional mechanisms for stakeholder involvement
- Civil society involvement
- Private sector involvement
- Parliamentary involvement
- Capacity to formulate strategy

COUNTRY-LED PARTNERSHIP

- Government leadership of coordination
- Partners' assistance strategy alignment
- Financial and analytical partnership
- Coherent and coordinated capacity support
- Harmonization with country systems
- Partnership organization

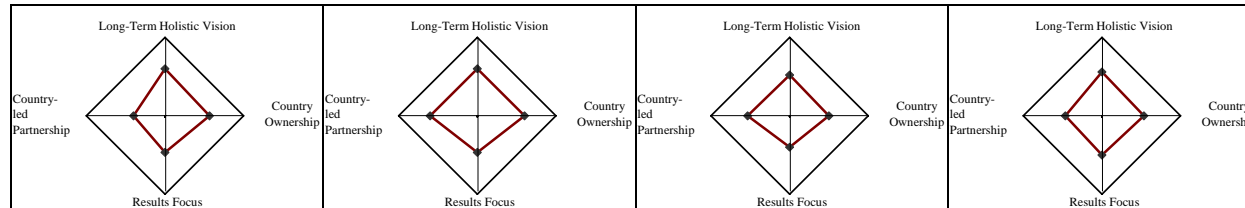

RESULTS FOCUS

- Quality of development information
- Stakeholder access to development information
- Coordinated country-level M&E

CDF Assessment Diamond

Each axis depicts the simple average of the assessments for each of the individual criteria. A country which has all criteria "Substantially in Place" for a given axis would therefore be marked at the boundary of the diamond for that axis.

"L" means "Little or No Action" - "E" means "Elements Exist or Being Considered" - "A" means "Action Has Been or Being Taken" - "D" means "Largely Developed" - "S" means "Substantially in Place"

SUMMARY OF IMPLEMENTATION OF CDF PRINCIPLES - ASSESSMENT AS OF MARCH 2005

LONG-TERM HOLISTIC VISION

- Coherent long-term vision
- Medium-term strategy derived from vision
- Country-specific development targets
- Holistic, balanced and well-sequenced strategy
- Capacity and resources for implementation

COUNTRY OWNERSHIP

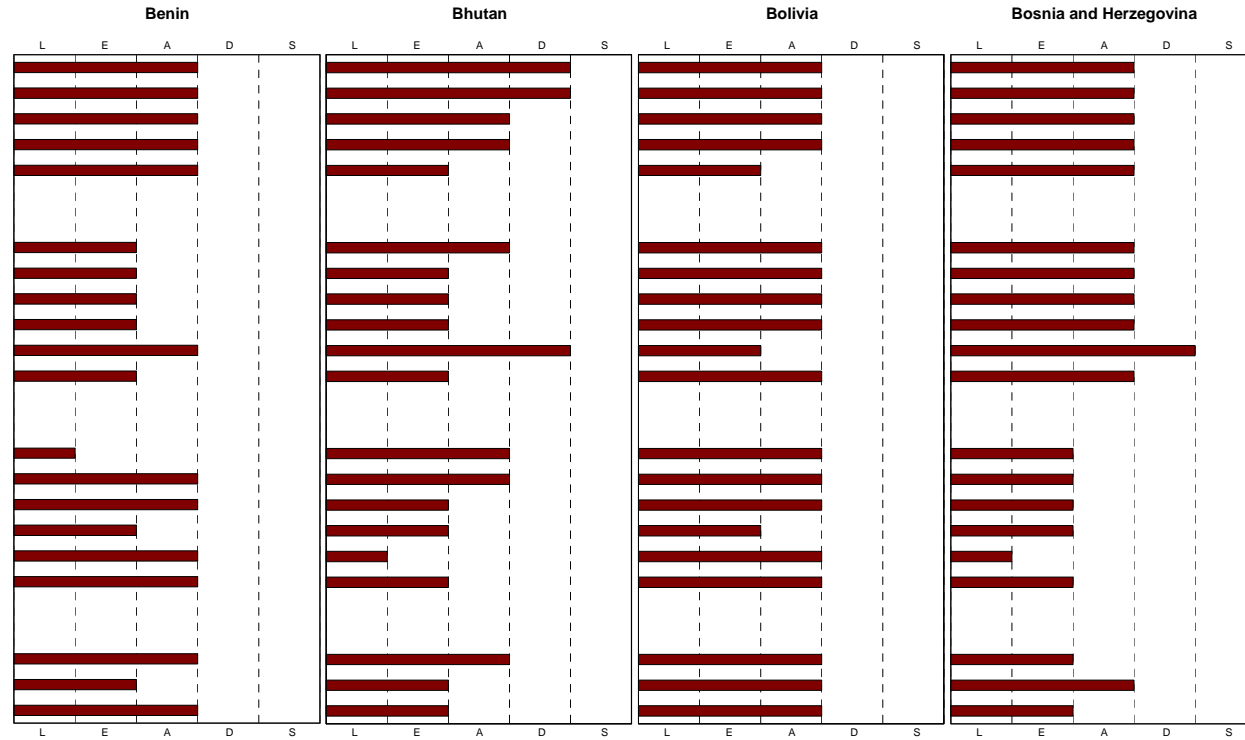

- Government initiative
- Institutional mechanisms for stakeholder involvement
- Civil society involvement
- Private sector involvement
- Parliamentary involvement
- Capacity to formulate strategy

COUNTRY-LED PARTNERSHIP

- Government leadership of coordination
- Partners' assistance strategy alignment
- Financial and analytical partnership
- Coherent and coordinated capacity support
- Harmonization with country systems
- Partnership organization

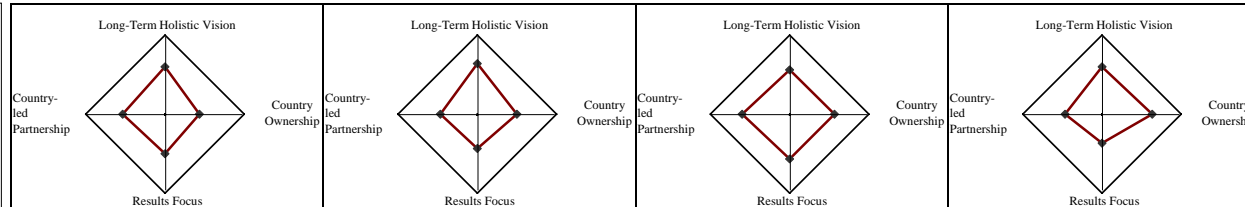

RESULTS FOCUS

- Quality of development information
- Stakeholder access to development information
- Coordinated country-level M&E

CDF Assessment Diamond

Each axis depicts the simple average of the assessments for each of the individual criteria. A country which has all criteria "Substantially in Place" for a given axis would therefore be marked at the boundary of the diamond for that axis.

"L" means "Little or No Action" - "E" means "Elements Exist or Being Considered" - "A" means "Action Has Been or Being Taken" - "D" means "Largely Developed" - "S" means "Substantially in Place"
