

2009 GRANT COMPETITION CLIMATE ADAPTATION

Region	Country	Proposal #	Project Title	Project Team	Partner	Subtheme	Organization Website
Africa	Burkina Faso	5057	Affordable housing for rural families facing desertification in the Sahel	La Voute Nubienne	La Voute Nubienne - BF	Disaster Risk Management	http://www.lavoutenubienne.org
	Ethiopia	5075	Clay pot micro-irrigation for climate risk management and food security in a dry highland village	Consortium for Capacity Building (CCB)	Helvetas-Ethiopia	Disaster Risk Management	http://ccb.colorado.edu
	Ethiopia	3959	Adaptation to climate change using innovative tools to match conserved seed to needs of women farmers	Bioversity International (legal name: International Plant Genetic Resource Institute)	Institute of Biodiversity Conservation and Research	Multiple Benefits	http://www.bioversityinternational.org
	Gambia, The	5096	Pro-Millet: Green Shoots for Sub-Saharan Sustainability	Njawara Agricultural Training Centre (NATC)	Resource efficient Agricultural Production-Canada	Multiple Benefits	None Provided
	Ghana	5136	Small holder-led micro-insurance for Climate Adaptation and Disaster Risk Reduction	Concern Universal	PRONET Association	Disaster Risk Management	http://www.concern-universal.org
	Kenya	3033	Sustainable Rainwater Harvesting Interventions for Climate Change Adaptation in Maasai Mara Ecosystem	Kenya Rainwater Association		Multiple Benefits	http://www.gharainwater.org
	Kenya	3842	Photovoltaic Chromatinet Shade Houses & Fog Collectors To Solve Food, Water & Energy Crisis In Arids	Weather & Environmental Constraints Screening Initiatives	Amiran Kenya Ltd	Multiple Benefits	None Provided
	Kenya	4461	Establishment of a community cereal bank to mitigate food shortage caused by climate change	Mparakuo Community Network	African Pro-poor Tourism Development Centre (APTDC)	Multiple Benefits	None Provided
	Kenya	4773	New partnerships for effective vigilance and response to climate induced risks in plant health	CABI Africa	Kenya Plant Health Inspectorate Service (KEPHIS)	Multiple Benefits	http://www.cabi.org
	Kenya	4898	Predictive water management tools to help pastoralists access contingency funds and adapt resource usage	Action Against Hunger		Multiple Benefits	http://www.actionagainsthunger.org
	Madagascar	3817	Promoting Community Kits for Adapting to Climate Change and Monitoring Impacts	Cultures & Conservation	Community Conservation	Multiple Benefits	None Provided
	Mozambique	3561	Zero Emission Fridge for Rural Africa (ZEFRA): Low cost post-harvest technologies for rural communities	Helvetas, Swiss Association for International Cooperation	Associação do Meio Ambiente (AMA)	Disaster Risk Management	http://www.helvetas.org.mz
	Nigeria	4556	Climate Change on Air	The Smallholders Foundation		Multiple Benefits	None Provided
	Rwanda	4535	Adoption of temperate fruit trees to mitigate the effects of climate change in the highland areas	Wakala East Africa Consultancy Services Ltd	African Highlands Initiative (AHI)	Multiple Benefits	None Provided
	Tanzania	4291	Fishers of the Future: Interactive Radio Drama for Climate Change Adaptation	Sand County Foundation of Tanzania		Multiple Benefits	None Provided
	Uganda	5016	Dissemination of best practices to enhance community adaptation to and mitigate climate change in Uganda	Makerere University	Innovative Vision Uganda Limited	Disaster Risk Management	http://www.mak.ac.ug
	Uganda	4051	Climate neutral farming: Using carbon credits to improve income and sustainability of smallholder farming	Agro Eco Louis Boulk Institute-Eastern Africa Office		Multiple Benefits	
East Asia & Pacific	Cambodia	3958	High Yield & Organic Farming with Excess gained by Farmers' Safety Net & contributed to Resilience Fund	Green Earth Concepts		Disaster Risk Management	None Provided
	Cambodia	3457	Self-sustained Floating Village with Safety Housing & Green Energy	Green Earth Concepts		Multiple Benefits	None Provided
	Cambodia	4229	Human Immune-systems Enhancer Solution & Fight against Malaria & Acute Diseases Increase during Floods	Green Earth Concepts		Multiple Benefits	None Provided
	Indonesia	4162	Building Resiliency through Integrated Climate Change Spatial Planning	Planning Alliance	CARE Indonesia	Disaster Risk Management	http://www.planningalliance.ca
	Indonesia	4471	Managing Agricultural Risks for Small Farmers through Index Insurance: Indonesian Context	Center for Climate Risk and Opportunity Management in Southeast Asia and Pacific	Indonesia Agency for Agriculture Research and Development - Indonesia Ministry of Agriculture	Multiple Benefits	None Provided
	Lao PDR	3616	Building community resilience to food and water shortages in a flood prone area	SEDA-Laos	National Science Council	Multiple Benefits	None Provided
	Micronesia, Fed Sts.	1170	Nukuoro Crop Relocation Project	Nukuoro Residents Association		Indigenous Peoples Communities	None Provided
	Mongolia	3502	Mobilizing community journalists for participatory disaster risk management	Press Institute	Mongolian National Disaster Response Center	Multiple Benefits	http://www.pressinst.org.mn
	Philippines	3191	Bell and Bottle: Low cost warning system for the poor farming communities in landslide prone areas	University of the Philippines at Los Baños	Center for Initiatives and Research on Climate Adaptation (CIRCA)	Disaster Risk Management	http://www.uplb.edu.ph
	Philippines	3906	Strengthening Disaster Preparedness of Southern Leyte Thru SMS Technology	Philippine Business for Social Progress	Smart Communications, Inc.	Disaster Risk Management	http://www.pbsp.org.ph
	Philippines	3053	Fish on Earth: Providing opportunities to cushion the impact of climate change to rainfed rice farmers	University of the Philippines at Los Baños	Municipal Agriculture Office, San Juan, Batangas	Multiple Benefits	http://www.uplb.edu.ph
	Philippines	3333	Securing fishery livelihoods through disaster- resilient aquaculture integrated with mangrove restoration	Trowel Development Foundation, Inc.		Multiple Benefits	None Provided
	Philippines	3712	The Floating Power Charger: Providing Lights Beyond the Dark Extremes of Climate Change	LAMBS Agri mechanicals	University of the Philippines at Los Baños, (UPLB)	Multiple Benefits	None Provided
	Philippines	4053	Production of Vermicast and Green Charcoal with Community and Local Government Participation	Pampamilyang Paaralang Agrikultura, Inc. (PPAI)	MAPECON GREEN CHARCOAL Philippines, Inc. (Green Charcoal Process)	Multiple Benefits	http://www.ffspillinas.org

2009 GRANT COMPETITION

CLIMATE ADAPTATION

Region	Country	Proposal #	Project Title	Project Team	Partner	Subtheme	Organization Website
	Philippines	4209	Enhancement, Conservation and Democratization of Access to Ecosystem Services	Pipuli Foundation, Inc		Multiple Benefits	None Provided
	Philippines	4230	Biofuel production and mangrove rehabilitation and development in the Philippines	Ecosystems Research and Development Bureau	Share An Opportunity Philippines - South Luzon and Mindoro area	Multiple Benefits	http://www.erdb.denr.gov.ph
	Philippines	4657	Gulay 4 Salambao: Vegetables for Salambao	International Resources Group - Philippines	Samahang Kabalikatan Obando, Bulacan	Multiple Benefits	http://www.irg-p.com.ph
	Samoa	1641	Indigenous Housing as a solution to Climate risks	Afeafe o Vaetoefaga Pacific Academy of Cultural Restoration, Research and Development	The Family Centre	Indigenous Peoples Communities	None Provided
	Vanuatu	3583	Water everywhere, but not a drop to drink	Vanuatu Renewable Energy and Power Association		Disaster Risk Management	http://www.vanrepa.org
	Vietnam	3737	Increasing the resilience of coastal farmers by action research and testing of saline-resistant rice	International Centre for Environmental Management		Multiple Benefits	None Provided
Europe and Central Asia	Russian Federation	1532	Indigenous Monitoring and Education on Climate Change: from Grassroots Measures to State Adaptation Plan	Centre for Support of Indigenous Peoples of the North (CSIPN)	Russian Association of Indigenous Peoples of the North, Siberia and the Far East (RAIPON)	Indigenous Peoples Communities	http://www.csipn.ru
	Russian Federation	1396	Reindeer herding and climate change: increasing resilience by tundra-based wind energy sources	Agricultural Producers' Cooperative "Tundra"	WWF	Indigenous Peoples Communities	None Provided
	Serbia	4307	Controlling Cyanobacterial Toxic Blooms Triggered By Global Warming In Fishing Ponds By Daphnia Grazing	Sztr Sunce, Novi Sad, Serbia	Faculty of Sciences, University of Novi Sad	Multiple Benefits	None Provided
	Ukraine	4886	Rating Local Communities Performance in Adaptation to Climate Change	Resource & Analysis Center "Society and Environment"		Disaster Risk Management	http://www.rac.org.ua
	Uzbekistan	4165	Adaptive closed cycle infrastructure for water energy and agriculture in Araljan Region	Enviromation Inc	Physical-Technical Institute of Scientific Association "Physics-Sun"	Disaster Risk Management	http://www.EnergyAndEnvironmentInc.com
Latin America & Caribbean	Argentina	1363	Adaptabilidad de comunidades a fluctuaciones climaticas a través de Semilleros de Biodiversidad	Comunidad Aborígen Kolla Finca Tumbaya		Indigenous Peoples Communities	None Provided
	Belize	1401	Q'eqchi' Maya Community-Based Sustainable Forest Management Enterprise	Sarstoon Temash Institute for Indigenous Management (SATIIM)		Indigenous Peoples Communities	http://www.satiim.org.bz
	Belize	1763	Providing the Tools to Adapt to Diminishing Food Security in Mayan Villages in Southern Belize	Ya'axché Conservation Trust (YCT)		Indigenous Peoples Communities	http://www.yct.bz
	Bolivia	4296	Too little water, too much water: community response in Cochabamba	Foundation Pro-Hábitat Cochabamba		Disaster Risk Management	None Provided
	Bolivia	1815	Bioindicadores para la adaptacion al cambio climatico en los Andes	CIDAS (Centro Integral de Desarrollo Agroecologico y Social)	Centro Integral De Desarrollo Agroecologico Y Social Cidas	Indigenous Peoples Communities	None Provided
	Bolivia	4997	Local risk management strategies in high Andean communities to reduce climate risks and improve agricultu	Fundación AGRECOL Andes		Multiple Benefits	http://www.agrecolandes.org
	Bolivia	5045	Forming Habits in Risk Management and Climate Change Adaptation: A New Curriculum	World Vision Bolivia		Multiple Benefits	http://www.visionmundial.org.bo
	Bolivia	5108	Reducing climate risks for biodiversity conservation using adaptive fire management near protected areas	Fundacion Amigos de la Naturaleza (FAN-Bolivia)	Prefectura del Departamento de Santa Cruz	Multiple Benefits	None Provided
	Chile	1549	Modelo forestal Mapuche aplicado en la reduccion de los gases de efecto y evitar la deforestacion	Asociación Indígena Roble Huacho	C&E	Indigenous Peoples Communities	None Provided
	Colombia	3486	Stationary floating house to reduce the impact of flooding season for the families in the village of Oreje	Corporación Universitaria del Caribe	Alcaldía del municipio de Sucre	Disaster Risk Management	http://www.cecar.edu.co
	Colombia	1434	Protección, mantenimiento preventivo y remoción de empalizadas en 7 ríos causadas por avalanchas	CAMIZBA (Cabildo Mayor Indígena de la zona del Bajo Atrato)		Indigenous Peoples Communities	None Provided
	Colombia	1661	Elaboración de Planes de Ordenamiento Ambiental de los Territorios de los Pueblos Indígenas de Colombia	Organización Nacional Indígena de Colombia ONIC		Indigenous Peoples Communities	http://www.onic.org.co
	Colombia	1767	Community Participatory Carbon Baselines and TK Transfer	COICA	ASOOCRIGUA	Indigenous Peoples Communities	
	Costa Rica	1041	Manejo adaptativo de recursos naturales para reducir la vulnerabilidad de comunidades indígenas cabécares	Ixcavaa		Indigenous Peoples Communities	None Provided
	Dominican Republic	4949	Introduction of Wave Energy Converter Technology for Beach Erosion Control and Storm Waves Mitigation	Universidad Nacional Pedro Henríquez Ureña	Nova Oceanic Energy Systems, Inc.	Disaster Risk Management	None Provided
	Ecuador	4646	Flood-resistant elevated bamboo houses: Promoting innovative housing resilient to climate related disasters	International Network for Bamboo and Rattan	The Catholic University of Santiago de Guayaquil (UCSG)	Disaster Risk Management	http://www.inbar.int
	Ecuador	1189	Mejora de la capacidad de adaptación al cambio climático a través de la producción de plantas medicinales	Fundación KUYAY KAWSAY	Corporación de Promoción de Exportaciones e Inversiones del Ecuador CORPEI	Indigenous Peoples Communities	None Provided
	Ecuador	1828	Rescatar la participación de los pueblos indígenas amazónicos en la gobernanza de cambio climático	Fundación Pachamama		Indigenous Peoples Communities	None Provided
	Ecuador	3863	Conservation of the Ecuadorian "Paramo" through Andean Blueberry production, sales and marketing	Conservacion y Desarrollo (C&D)	Union of Indigenous Peasant Organizations of Cotacachi (UNORCAC)	Multiple Benefits	http://www.ccd.org.ec

**2009 GRANT
COMPETITION**
CLIMATE ADAPTATION

Region	Country	Proposal #	Project Title	Project Team	Partner	Subtheme	Organization Website
	El Salvador	3349	Healthy Wells in the Coastal Region of El Salvador	Oxfam America	PRO VIDA, Salvadoran Association for Humanitarian Assistance	Disaster Risk Management	None Provided
	El Salvador	1557	El arte y ciencia de escuchar a la Madre Tierra	Instituto para el Rescate Ancestral Indígena Salvadoreño		Indigenous Peoples Communities	http://www.raissv.com
	Guatemala	1503	Empowering Guatemala's Indigenous Communities and Climate Change Resilience	Asociación Sotz'il	Conservation International	Indigenous Peoples Communities	http://www.sotzil.org
	Guatemala	1803	Formación de las comunidades para enfrentar los desastres naturales, con énfasis en la cosmovisión maya	Asociación para el Desarrollo de la Agricultura San Martín Jilotepeque		Indigenous Peoples Communities	None Provided
	Honduras	3881	Reducing the risks of microfinance for poor farmers in drought-prone areas	Fundacion Futuros Rurales	FUNDER	Multiple Benefits	None Provided
	Mexico	1281	Estrategias para el rescate del uso tradicional de maíz criollo en Chihuahua	ITESM	Ejido Tutuaca	Indigenous Peoples Communities	http://www.itesm.mx
	Nicaragua	1335	Bosques Sanos, Niños Sanos en La Mosquitia	Cooperativa de Profesionales Masangni, R.L.		Indigenous Peoples Communities	http://www.masangni.org
	Nicaragua	1780	Vulnerabilidad ambiental y adaptación ante riesgos climáticos en el Pueblo indígena de Mozote	Pueblo Indígena de Mozote		Indigenous Peoples Communities	http://www.chorotegas.net
	Peru	4311	Artisanal High Andean Global Warming Adaptation Methodology and Industry: Increasing Superficial Albedo	Glaciares Peru ONG		Disaster Risk Management	None Provided
	Peru	5150	Increasing the Resilience of High-Altitude Quechua Populations against the Effects of Climate Change	Catholic Relief Services	Caritas del Perú	Disaster Risk Management	http://www.crs.org
	Peru	1358	Adapting native potatoes and Andean crops in the face of climate change for food security	Association ANDES		Indigenous Peoples Communities	None Provided
	Peru	1391	Validación de conocimientos indígenas de predictores climáticos para mejoramiento de sistemas agrícolas	Centro de investigación, Educación y Desarrollo		Indigenous Peoples Communities	http://www.ciedperu.org
	Peru	1495	Rescate de memorias y prácticas ancestrales para enfrentar el fenómeno de friaje	Organización de Mujeres de 4 comunidades	Asociación JILATA	Indigenous Peoples Communities	None Provided
	Peru	1617	Fortalecer la adaptabilidad al cambio climático de comunidades indígenas en el Río Pachitea en Perú	APROCNASSPPI (Asociación de promotores de comunidades nativas para el servicio de salud de la provincia de Puerto Inca)	Freundeskreis Indianerhilfe e.V. Fundacion Alemana Ayuda al Nativo	Indigenous Peoples Communities	None Provided
	Peru	1630	Sabiduría Indígena, Biomatemática y SIG: una comunidad amazónica resiliente al cambio climático.	CCNN Kechwa Copal Sacha	Urku Estudios Amazónicos	Indigenous Peoples Communities	None Provided
	Peru	1768	Estrategias innovadoras para la gestión sostenible de la Reserva Comunal Machiguenga (RCM) y su entorno	Centro para el Desarrollo del Indígena Amazónico		Indigenous Peoples Communities	http://www.cedia.org.pe
	Peru	1772	Saberes, tecnología y organización quechua para responder al cambio climático	CHIRAPAQ Centro de Culturas Indígenas del Perú		Indigenous Peoples Communities	http://www.chirapaq.org.pe
	Peru	3525	Protection Of The Maca Culture With Ichu Against The Effects Of Frosts, Hails And Prolonged Droughts	Asociacion De Productores De Maca Del Valle Del Mantaro	Municipalidad de Ninacaca, Peru	Multiple Benefits	http://www.vigorandino.com
	Peru	4270	Recuperation of Prehispanic Andean Agricultural Terraces to mitigate effects of climate change	Cusichaca Trust	Asociacion Andina Cusichaca	Multiple Benefits	http://www.cusichaca.org
	Peru	5192	Empowering future farmers of Andean Plateau communities with innovative tools to manage climatic risks	Centro de Investigación de Recursos Naturales y Medio Ambiente (CIRNMA)	International Potato Center	Multiple Benefits	http://www.cirnma.org/
	Venezuela, RB	4864	Habitat Expedition. Raising climate change awareness in adults and children based on local experiences	Psycho Films, Compañía Anónima	Fundacion Yami	Multiple Benefits	None Provided
Middle East and North Africa	Djibouti	3171	Reducing the Risk of Aquifer Pollution by Seawater Intrusion	T.S.S. Spinning & Weaving Limited	Centre d'Etudes et de Recherches de Djibouti	Multiple Benefits	None Provided
Multi-country	Multi-country	3768	Global Voices – People Vulnerable to Climate Change Speak Out on Adaptation	Institute of Development Studies	Plan Bangladesh	Disaster Risk Management	http://www.ids.ac.uk
	Multi-country	4917	Development of guarantee mechanisms to protect Jatropha producers from climate risks in Mali and Indonesia	PlaNet Finance	Jatropha Mali Initiative	Disaster Risk Management	None Provided
South Asia	Bangladesh	3635	Safety Nets and Micro-Insurance for the Climate Refugees in the south-west coastal region	SEBA	Association for Climate Refugees	Disaster Risk Management	None Provided
	Bangladesh	4616	Modernize indigenous knowledge to adapt climate change situation to ensure better health.	Lutheran Health Care Bangladesh		Disaster Risk Management	None Provided
	Bangladesh	4722	Promotion of soilless agriculture in waterlogged area for adaptation to the impact of climate change	Shushilan	Wetland Resource Development Society	Disaster Risk Management	http://www.shushilan.org
	Bangladesh	5111	Media Access and Education for Climate Change Adaptation and Risk Management	Relief International-Schools Online	Bangladesh Centre For Advanced Studies	Disaster Risk Management	http://www.ri.org
	Bangladesh	5194	In a flood-prone country, ClimateShelter that floats	Shidhulai Swanirvar Sangstha		Disaster Risk Management	http://www.shidhulai.org/
	India	3339	Samohik Prastuti: Constructing Disaster Resilient Communities in Orissa	Catholic Relief Services	Balasure Social Service Society	Disaster Risk Management	http://www.crs.org

2009 GRANT COMPETITION CLIMATE ADAPTATION

Region	Country	Proposal #	Project Title	Project Team	Partner	Subtheme	Organization Website
	India	4097	Multiple Cropping by 420 Farming Women for eco-enviro-economic sustainability in agriculture	VOICE Trust	PEACE Trust	Disaster Risk Management	http://www.voicetrust.org.in
	India	4561	Solar/wind powered portable greenhouse for growing fodder for sustainable dairy development	Greenfield Hydroponic Systems Inc.	Mahatma Gandhi Pratisthan	Multiple Benefits	http://www.greenfield-hydroponics.com
	India	4865	Rural Reality Shows for catalyzing large scale Climate Change Adaptation	Development Alternatives	Social Rural Direction, RK Swamy BBDO	Multiple Benefits	http://www.devalt.org
	Maldives	3648	Innovative gardening techniques & education for adapting to climate change in the Maldives	Live & Learn Environmental Education	Live & Learn Environmental Education - Maldives	Multiple Benefits	http://www.livelearn.org
	Nepal	3356	Diffusing Climate Change Risk for Small Farmers in Nepal	United Mission to Nepal		Disaster Risk Management	None Provided
	Nepal	3436	Increasing climate change resilience of vulnerable communities in Mid West Nepal	The Mountain Institute (TMI)		Multiple Benefits	http://www.mountain.org
	Nepal	4608	Building Mountain People's Resilience to Climate Change for Sustainable Livelihoods	ForestAction Nepal		Multiple Benefits	http://www.forestaction.org
	Nepal	4742	Strengthening Upstream-Downstream Linkages for Climate Change Adaptation	Practical Action Nepal Office	Himalayan Community Development Forum (HICODEF)	Multiple Benefits	http://www.practicalaction.org
	Pakistan	3629	Cooperative We Can! - Resisting Drought in Tharpakar, Pakistan	Society for Conservation and Protection of Environment (SCOPE)		Multiple Benefits	http://www.scope.org.pk
