What were the key issues/themes raised by participants? ¹

1. The WBG and the European Commission can support regional environmental initiatives together to support action and follow up on declarations
2. The WBG should share more of its experiences with Sector Wide Approaches (SWAPs) and Development Policy Loans in promoting environmental sustainability.
3. The WBG should work with other development partners to better measure and monitor implementation of environmentally sustainable actions and project components

¹ This was a very brief meeting.
