

7 PLANNED IMPLEMENTATION OF THE STRATEGY AND ACTION PLAN

The NSC has considered the method of approval for the country strategy and action plan and the role of NSC itself in the implementation phase. The country strategy and action plan will be formally presented to the Minister of Finance. Subject to sufficient funding and full acceptance of the country strategy and action plan by the Minister of Finance, a project board will be formed to implement the plan.

We have documented this information in [Figure 7-1: Approval & implementation of country strategy and action plan](#)
