BOOK LAUNCH

The world is drowning in cash—and it's making us poorer and less safe. Rogoff makes a persuasive and fascinating case for an idea that until recently would have seemed outlandish: getting rid of most paper money. While phasing out paper money will hardly solve all the world's problems, it would be a significant step toward addressing a surprising number of very big ones, such as terrorism, the drug trade and human trafficking.

September 13, 2016

12:00 PM

IFC Auditorium

2121 Penn Ave NW

Presented by author
KENNETH S. ROGOFF
Thomas D. Cabot Professor,
Harvard University

Moderator
KAUSHIK BASU
Senior Vice President and
