

Grant of Rights

I, _____ (artist or authorized representative) grant the following rights to the World Bank Group (the "Bank") through its Art Program (the "Art Program") in consideration of their acquisition of the work(s) as described in the attached.

I grant permission in perpetuity to the Bank and its licensees to make and publish reproductions of the Work/s in all media or formats now known or later developed such as but not limited to print and online, including the Bank's Intranet and Internet sites, for educational, noncommercial purposes and commercial purposes as described below. The Bank and its licensees may crop or alter the images of the Work/s appropriately for graphic purposes; to this end I irrevocably waive all moral rights with regard to the Art Program's use of the Work/s and reproductions thereof.

Commercial purposes: I understand that the Bank and its licensees may include reproductions of the Work/s in catalogs, books or other media for educational purposes now known or later developed and make such materials available worldwide. A substantial number of copies of such materials will be distributed without charge to World Bank depository libraries or at a significantly discounted price to readers in developing countries.

You may use my name and likeness to educate others about the Work/s and the efforts of the Art Program. Use of the Bank and the Art Program names may not be presented in a manner as to give the impression of an endorsement of any good or service.

I understand that the Art Program will include appropriate copyright notice to me (or the copyright owner if other than me). It is my responsibility to inform the Art Program if the copyright is owned by someone other than me. **I agree to inform the Art Program of any change of contact information in writing.** All Correspondence will be directed to the address of record and will be deemed approved if such requests are returned as undeliverable. I will use the contact information for the Art Program for notifications as provided at the top of this Letter. I also agree to provide information as requested by the Art Program for its curatorial records with regard to the Work/s such as the correct title of the work, media, year of creation and additional information when relevant to identify the Work/s. I affirm that I have the authority to grant the rights and to make the promises included in this Letter.
