

CONDITIONAL CASH TRANSFERS

Reducing Present and Future Poverty

by Ariel Fiszbein and Norbert Schady

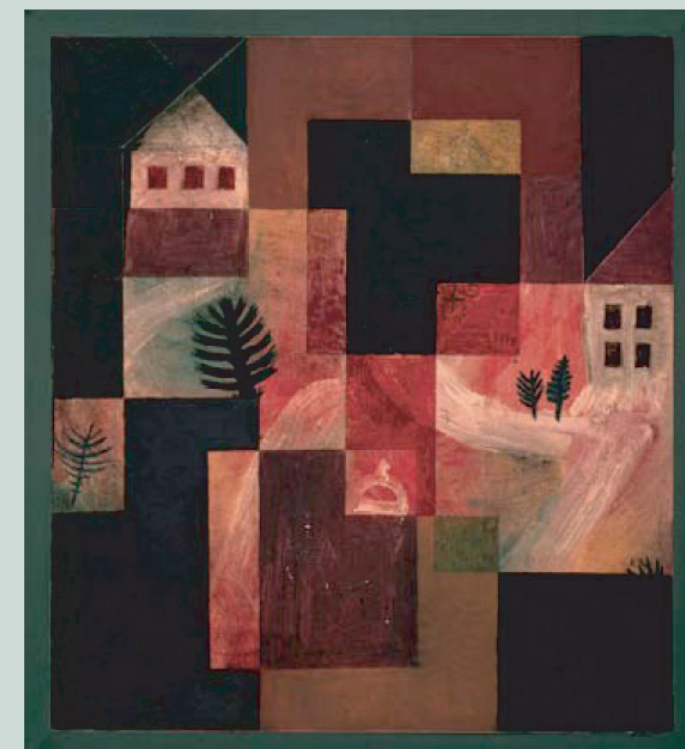

with Francisco H.G. Ferreira, Margaret Grosh, Nial Kelleher, Pedro Olinto, and Emmanuel Skoufias

"If we are serious about tackling poverty, we must get serious about trying new things. Conditional cash transfer programs have proven effective in countries across the globe...This book provides an up-to-date assessment of CCT programs based on impact evaluations studies from across the world".

—Mayor Michael R. Bloomberg, New York City
