

THE ROLE AND IMPACT OF PUBLIC-PRIVATE PARTNERSHIPS IN EDUCATION

By Harry Anthony Patrinos, Felipe Barrera-Osorio, Juliana Guáqueta

This study presents a conceptualization of the issues related to public-private partnerships (PPPs) in education, a detailed review of studies with rigorous evaluations, and guidelines on how to create successful PPPs. The book shows how this approach can facilitate service delivery, lead to additional financing, expand equitable access, and improve learning outcomes.
