

FREEFALL

*America, Free Markets,
and the Sinking of the World Economy*

By Joseph E. Stiglitz

After two years of freefall, America's economy is finally beginning to stabilize. In his book, *Freefall: America, Free Markets, and the Sinking of the World Economy*, Nobel Prize winner and bestselling author, Joseph E. Stiglitz explains the current financial crisis, enumerates the steps required to resurrect the international economy, and anticipates the coming global economic order.

Book signing will follow the presentation.
