

THE GLOBAL DEAL

Climate Change and the Creation of a New Era of Progress and Prosperity
by Nicholas Stern

The Global Deal evaluates the economic future and the essential steps we must take to protect growth and reduce poverty while managing climate change. The future Stern outlines is optimistic and pragmatic; he believes we have the capacity and creativity to change. But we need the will to inspire our political leaders to drive a new global strategy.

THE GLOBAL DEAL

CLIMATE CHANGE AND
THE CREATION OF A NEW ERA
OF PROGRESS AND PROSPERITY
