

Financial Market Daily Indicators – Definitions and Sources

Data is compiled from Datastream and then processed further by the World Bank's Prospects Group (DECPG)

Note: Indicators are shown in order of appearance on Financial Market Trends Table

A. Definitions

LCU/USD = Exchange rates in local currency units (LCU) per US dollar (USD)

Policy Rate = Central bank primary intervention (policy) interest rates

Spread, bp = Basis point spreads over US 10-year treasuries

EMBI+ = Annual percent growth of Emerging Markets Bond Index Plus, a JPMorgan index that tracks total returns for traded external debt instruments in emerging markets

Stk ind %-LCU = Year-over-year percentage change for the principal equity market at the country level in Local Currency Unit–terms (LCU)

Stk ind %-USD = Year-over-year percentage change series are presented for the principal equity market at the country level in US Dollar–terms (USD)

B. Sources
