

Imagine

Imagine there's no heaven

Competition is increasing for companies

Pressures are mounting for better, faster, cheaper service delivery

It's easy if you try

We will support you

Rebate on cost of land (~\$450 per job)

Government will provide infrastructure for power, water, sewerage and roads

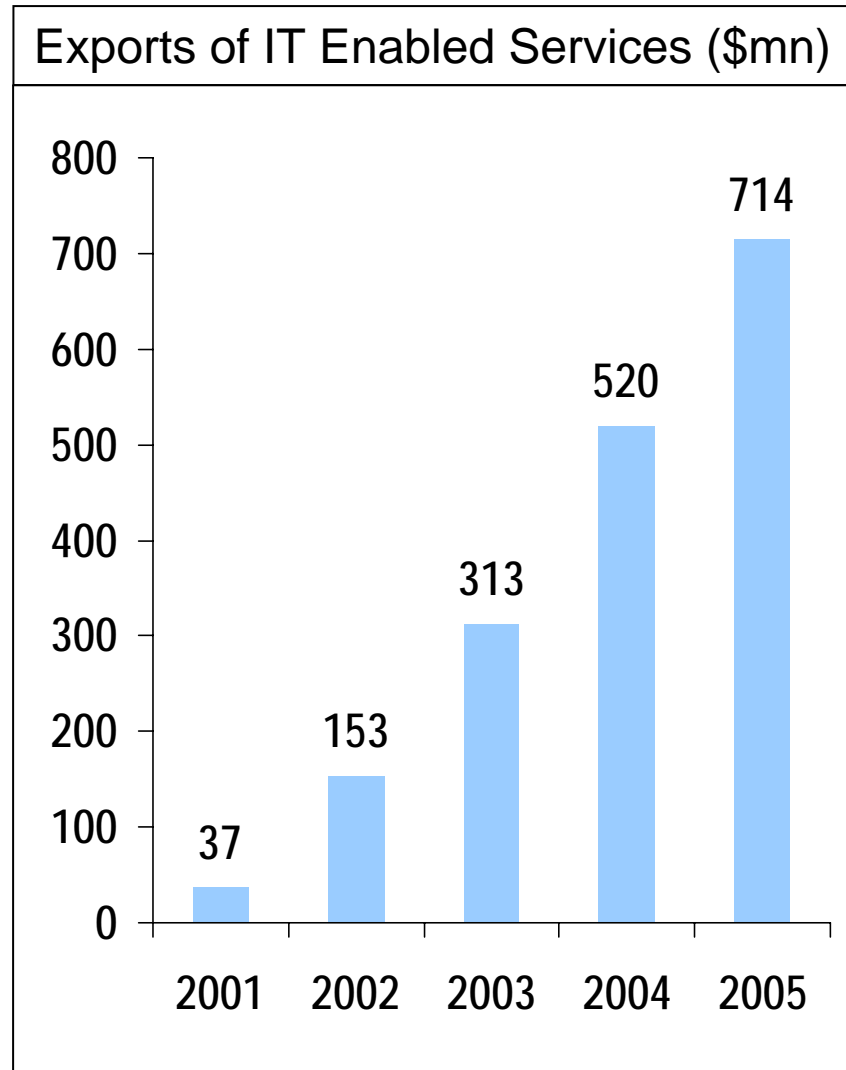

No hell below us

No red tape, no bureaucracy

APFIRST will be single point of contact

Time bound clearances

Above us only sky

Imagine all the people

23% of India's software engineers from Andhra Pradesh

32 engineering colleges in 1995, now 250

8,000 graduating engineers in 1995, now 80,000 every year

Living for today

Entry level agent salary: Less than \$2000 a year

Software developer: Less than \$7000

Imagine there's no countries

World class education

Indian School of Business: Faculty from Wharton, Kellogg, London Business School, Stanford, Chicago, Duke and Texas

It isn't hard to do

Microsoft's biggest facility outside US

Others:

Bombardier

Computer Associates

Computer Science Corporation

Dell

GE

HSBC

Oracle...

Nothing to kill or die for

Enough talent available

Lowest attrition rates

And no religion too

Activities range from:

Call centers

Insurance claims processing

Medical transcription

Engineering design

Business analytics

Animation...

Imagine all the people

350,000 graduates every year

140,000 English speaking

Living life in peace

Dedicated workforce

IT Enabled Services declared an essential service

No strikes or labor unrest

You may say I'm a dreamer

Andhra Pradesh has a Vision 2020 for the State

But I'm not the only one

The people of Andhra Pradesh share the vision

I hope some day you'll join us

In celebrating Andhra Pradesh's success

And the world will be one

High speed links to the world

Submarine networks:

SEA ME WE: South East Asia to Western Europe

FLAG: Fiber Link Across the Globe

I2I: Chennai to Singapore

Imagine no possessions

Real Estate Developers - Offices as per your specifications

Third party service providers:

Nipuna (Satyam group)

24X7

ICICI One Source

Deloitte

ADP Wilco

I wonder if you can

Co-brand training programs with us

Participate in industry – linkage program with Universities

Provide us with your wish list

No need for greed or hunger

AP is power surplus:

Highest capacity addition in the country since 1995

Hyderabad cleanest city in India

Cyberabad: Asia's new IT Hub

A brotherhood of man

Hyderabad: lowest crime rate among metropolitan cities

Growing Expat community

Hyderabad a truly cosmopolitan city

Imagine all the people

Accent neutralization training being provided

Private sector training institutions available:

NIIT, APTECH, Hero Mindmine, QAI

Head hunting agencies like Mafoi

Sharing all the world

New International Airport coming up in Hyderabad

International flights to Dubai, Singapore, New York,
Muscat, Sharjah

Hyderabad hub for Air Sahara

You may say I'm a dreamer

We hope to make Hyderabad a major Technology hub in Asia.

But I'm not the only one

Capital One considering Hyderabad for its Asia Headquarters

I hope some day you'll join us

We look forward to having you with us.

And the world will live as one

Geography is History!

Welcome to Andhra Pradesh
