Eija Pehu, Project Leader, Agriculture and Rural Development Department, World Bank

Dialogue with audience and words of thanks

Reception

Making the Sourcebook operational in FAO, IFAD, the World Bank, and other development agencies

...a very important contribution. I hope that it is widely read by all involved in land tenure policy (not just those who are interested in gender). There is sound analysis and advice on how to ensure that land administration programs can strengthen women's property rights.

Ruth Meizen-Dick, International Food Policy and Research Institute

THE WORLD BANK

Enabling poor rural people
to overcome poverty
