

Global Jolis Database の使い方について

1. [Library](#) から TOKYO を選択します。
2. 検索したい資料の категория が分かっている場合は [Document Type](#) から種類を選択します。
キーワード検索の場合は、[適当な語句](#)を入れ、[Search Catalog](#)を押し検索します。

The screenshot shows the search interface for the Global Jolis Database. At the top, there are three icons labeled 'Quick', 'Any', and 'All'. Below them is the title 'Search the Global JOLIS Catalog' and a navigation menu with 'COMBINATION SEARCH', 'QUICK SEARCH', and 'CALL NO. BROWSE'. The main search area contains several input fields: 'words or phrase', 'author', 'title', 'subject', 'series/source', and 'publisher'. Each of the first five fields has a dropdown menu set to 'AND'. Below these fields are 'Search Catalog' and 'Reset Query Values' buttons. The 'Search Limits' section includes: 'Library: TOKYO', 'language: ANY', 'doctype: ANY', 'location: ANY', 'document type: ANY', 'match on: ANY', and a 'sort by' dropdown menu with options: AGD, AGR, AM, APL, AR, ARIS, ARFP, ALD, and n/a. A 'top' button is located in the bottom right corner. Arrows from the text above point to the 'words or phrase' field, the 'Library' dropdown, the 'document type' dropdown, and the 'Search Catalog' button.
