

JOB VACANCY

The World Bank is seeking a dynamic, qualified and experienced Economist for its Office in Kosovo for an initial two-year term appointment. The position is subject to the local recruitment rules of the World Bank.

Duties and Accountabilities:

- Contributing to country strategy; making recommendations on strategies and policy options, playing a key role in implementation of economic strategy.
- Producing independent analytical work and economic reports or contributing to work produced by the larger economic team, including regional cross-country studies.
- Monitoring, analyzing and reporting on the economic situation in Kosovo.
- Maintaining the macroeconomic databases and models used for quantitative analysis.
- Conducting meetings with government officials, representatives of the private sector and international organizations.

Qualifications

- At least a Master's degree in economics and 5 years of relevant professional experience, or an equivalent combination of education and work experience.
- Strong macro expertise, analytical and quantitative skills. Excellent knowledge of Excel.
- Excellent interpersonal skills and proven ability to work effectively in multi-sectoral teams.
- Effective verbal and written communication skills.
- Fluent in the local language and in English.
- Good understanding of Kosovo's economy and relevant needs and priorities
- Ability to produce high quality work under pressure

Application

Applications should send their curriculum vitae, in envelopes marked "confidential", with the mention "expression of interest for economist position", to the World Bank Representative in Kosovo, Mujo Ulqinaku Street No.3, Prishtina, Kosovo. Deadline for applications is August 10, 2008. Applications may also be sent by email to mgorcaj@worldbank.org. Please note that only short listed candidates will be informed. Please visit Bank's web site (<http://www.worldbank.org/kosovo>) for more information.
