QUESTIONNAIRE FOR COMMUNITIES
Community and Social Infrastructure

A variable linking household and districts named "AA0" may be added.

1. [Name of raion_________________________ |__|__|
   A1XC2 2. [Name of population point_________________ |__|__|
   A1XC3 3. [Number of census enumeration district______ |__|__|
   A1XC4.1 4. [Date when questionnaire was filled out. Day |__|__| Month |__|__|]
   A1XC4.2 5. [Surname of reporter_________________________]
[Reporter! Questions 2-8 are designed only for cities and settlements of the city type. In rural locations, start with question 9.]

2. What is the population in the territory of the census enumeration district where your respondents live? 

____________________ persons

3. What is the approximate area of the territory of this census enumeration district? 

____________________ km²

4. What is the population of this city, (settlement of the city type)? 

____________________ persons

5. What is the approximate area of the territory occupied by this city (settlement of the city type)? 

____________________ km²

6. Can a private person officially own land privately in this city (settlement of the city type)?
   Yes 1
   No 2 GO TO 14
   Did not succeed in finding out 3 GO TO 14¹

7. Is it permitted to use this land for
   YES NO
   1. Construction of living quarters 1 2
   2. Construction of factories, workshops for other production purposes 1 2
   3. Any other purposes (specify) 1 2

8. Can a private person officially buy some building in this city or settlement of the city type and use it for production purposes or entrepreneurial activity?
   Yes 1
   No 2
   Did not succeed in finding out 3

9. [Reporter! Questions 9-13 are designed only for rural population points. In cities and settlements of the city type go to Question 14.]
   What is the population of the village or settlement where the households you are surveying live? 
   ________________________ persons

¹GO TO 15 is printed in the questionnaire, but it was supposed to be crossed out and "14" substituted.
10. What is the approximate area of the territory of this village or settlement?
____________________ km²

11. Can a private person officially own land privately in this village or settlement?
   Yes 1
   No 2  GO TO 14
   Did not succeed in finding out 3  GO TO 14

12. Can a private person use this land for farming?
   Yes 1
   No 2
   Did not succeed in finding out 3

13. Is it permitted to use this land for

   YES  NO
   1. Construction of living quarters 1 2
   2. Construction of factories, workshops for other production purposes 1 2
   3. Any other purposes (specify) 1 2

14. This population point is

   The capital 1 GO TO 19
   Oblast center 2 GO TO 19
   Raion Center 3 GO TO 16

15. How far is it from this place to the raion center?
____________________ km

16. How far is it from this place to the oblast center?
____________________ km

17. How far is this city (settlement of the city type, village) from the nearest big city?
____________________ km

18. What is the name of the nearest big city?
**HOUSING.**

19. **What types of housing are there on the territory of the immediate place of residence of the households you are surveying? Please indicate all types of housing available.**

[REPORTER! "IMMEDIATE PLACE OF RESIDENCE OF HOUSEHOLDS YOU ARE SURVEYING" MEANS

In the city or in a settlement of the city type--the microdistrict where the given census enumeration is situated, or the region within a 10-15 minute walk.

In villages or settlements--the village or settlement itself.
