AZERBAIJAN SURVEY OF LIVING CONDITIONS 1995

QUESTIONNAIRE FOR POPULATION POINT (PP)

POPULATION POINT: ________________________________

POPULATION POINT CODE: [ PPID ]

DATE: [ DAYPPINT MOPPINT YRPPINT ]

ROSTER OF PEOPLE WHO ARE INTERVIEWED

1. 

2. 

3. 

4. 

5. 

6. 

7. 

8. 

9. 

10.

SECTION 1. DEMOGRAPHIC INFORMATION

1. How many people reside in this PP? [ POP ]

2. What is the major ethnic group in this PP?
   A. FIRST MOST IMPORTANT [ ETH1 ]
   B. SECOND IN IMPORTANCE [ ETH2 ]
   C. THIRD IN IMPORTANCE [ ETH3 ]
   
   AZERBAIJANI ................................................................. 1
   RUSSIAN ................................................................. 2
   TALISH ................................................................. 3
   KURD ................................................................. 4
   LEZGIN ................................................................. 5
   JEWISH ................................................................. 6
   UKRAINIAN ............................................................ 7
   MALAKAN .............................................................. 8
   OTHER (SPECIFY___________________) ......................... 9

3. For the recent years, since 1990, have more people moved into or out of this PP?
   MORE MOVED IN ...................................................... 1 [ INOUT ]
   MORE MOVED OUT .................................................. 2
   THE SAME NUMBER OF BOTH .................................... 3
   NONE MOVED IN OR OUT .......................................... 4

4. What do you think, is the life of the people in this population point better or worse than it was five years ago?
   BETTER ................................................................................. 1 [ LIFEIMP ]
   WORSE ................................................................................. 2
   WITHOUT CHANGE .......................................................... 3

5. Why? WRITE ALL ANSWERS
   A. ________________________________________________________
   B. ________________________________________________________
   C. ________________________________________________________
SECTION 2. INFRASTRUCTURE

1. What part of the roads in this PP are covered in asphalt?

   ALL ARE COVERED IN ASPHALT ........................................... 1
   [ ROADS 1-4 ]
   MOST ARE COVERED IN ASPHALT ..................................... 2
   MOST ARE EARTH/Covered WITH GRAVEL ......................... 3
   ALL ARE EARTH/Covered WITH GRAVEL .............................. 4

2. In general, what is the quality of the roads in this PP?

   EXCELLENT ........................................................................ 1
   GOOD ................................................................................ 2
   SATISFACTORY ................................................................. 3
   BAD .................................................................................. 4

3. What is the distance from this PP to Baku?

   NUMBER OF KILOMETERS: [ DBAKU 10-500 ]

4. How many hours does it take to get to Baku?

   A. ... by public transport? [ TBAKUP 0-12 ]
   B. ... by passenger automobile? [ TBAKUA 1-10 ]

5. How much does a one-way trip to the capital by public transport cost?

   AMOUNT (IN MANAT): [ VBAKU 1000-20000 ]

6. What is the distance from this PP to the raion center? [ DRAION 0-30 ]

7. How many hours does it take to get there....

   A. ... by public transport? [ TRAIONP 0-1 ]
   B. ... by passenger automobile? [ TRAIONA 0-1 ]

8. How much does a one way ride to the raion center by public transport usually cost?

   AMOUNT (IN MANAT): [ VRAION 0-5000 ]

9. What part of the households in this community have electricity or generators?

   ALL HOUSEHOLDS ......................................................... 1
   [ CELEC ]
   MOST OF THE HOUSEHOLDS ........................................... 2
   ONLY SOME OF THE HOUSEHOLDS ................................. 3
   NONE .............................................................................. 4

10. Is there centralized water supply?

    YES ..................................................................................... 1
        [ CWATER ]
    NO ................................................................................... 2

11. What part of the households in this community have access to the water pipe grid?

    ALL OF THE HOUSEHOLDS ............................................. 1
    [ CGRID ]
    MOST OF THE HOUSEHOLDS .......................................... 2
    ONLY SOME OF THE HOUSEHOLDS .................................. 3
    NONE .............................................................................. 4

12. Is the water supply sufficient for all household purposes?

    YES, ALWAYS SUFFICIENT ........................................... 1
    [ CSUFFWAT ]
    SUPPLY OF WATER SOMETIMES INSUFFICIENT .............. 2
    SUPPLY OF WATER ALWAYS INSUFFICIENT .................... 3
    IN SUMMER ...................................................................... 4

13. Is there a centralized sewage system?

    YES ..................................................................................... 1
    [ CSEWAGE ]
    NO ................................................................................... 2

14. Is there a centralized supply of hot water?

    YES ..................................................................................... 1
    [ CHOT ]
    NO ................................................................................... 2

15. Is there centralized collection and disposal of garbage?

    YES ..................................................................................... 1
    [ CGARBAGE ]
    NO ................................................................................... 2

16. What part of the households in this community have home telephones?

    ALL HOUSEHOLDS ......................................................... 1
    [ CPHONE ]
    MOST HOUSEHOLDS ....................................................... 2
    ONLY SOME HOUSEHOLDS ............................................. 3
    NONE .............................................................................. 4

17. How many television channels are received in this population point?

    NUMBER OF TELEVISION CHANNELS: [ CTV ]

18. After how many days do daily newspapers from the capital arrive in this PP?

    ON THE SAME DAY ......................................................... 1
    [ CNEWS ]
    ON THE NEXT DAY .......................................................... 2
    WITHIN THE WEEK .......................................................... 3
    OVER A WEEK ................................................................. 4
    CAPITAL NEWSPAPERS DO NOT COME HERE ................. 5
SECTION 3. ECONOMY

1. What is the major economic activity of the population in this PP?

A. FRIST, MOST IMPORTANT [ECON1]
B. SECOND IN IMPORTANCE [ECON2]
C. THIRD IN IMPORTANCE [ECON3]

AGRICULTURE ................................................................. 1
INDUSTRY ........................................................................... 2
MINING .................................................................................. 3
ADMINISTRATION WORK ..................................................... 4
OTHER (SPECIFY__________________) ................................. 5

2. What are the major serious economic problems in this community from this point of view of the population?
WRITE IN ORDER OF IMPORTANCE

A. _______________________________________________________________
B. _______________________________________________________________
C. _______________________________________________________________

3. What part of the male working age population is unemployed at this moment?

MOST ............................................................................................ 1
ABOUT 50% .................................................................................. 2
ABOUT 25% .................................................................................. 3
ABOUT 10% .................................................................................. 4
NONE ............................................................................................ 5

4. Are any state enterprises closed in this community?

YES ............................................................................................... 1
NO ................................................................................................. 2

5. How many people had worked at those closed enterprises, approximately?

ESTIMATED NUMBER: [ENTWORK 20-1000]

6. Are many households engaged in independent economic activity in this community?

YES ............................................................................................... 1
NO ................................................................................................. 2

7. What activity is most widespread in this community?
WRITE IN ORDER OF IMPORTANCE

A. _______________________________________________________________
B. _______________________________________________________________
C. _______________________________________________________________

SECTIONS 3. ECONOMY

A. _______________________________________________________________

8. What part of the households in this population point are engaged in this independent economic activity?

MOST HOUSEHOLDS .............................................................. 1
ONLY SOME .............................................................................. 2
NONE ............................................................................................ 3

9. Do you think that the economy in this community has improved or deteriorated in comparison with last year?

BETTER ......................................................................................... 1
WORSE ......................................................................................... 2
NO CHANGE ................................................................................. 3

SECTION 4. DISPLACED PERSONS (DP)

1. Do displaced persons reside in this community?

YES ................................................................................................ 1
NO ................................................................................................. 2

2. Where do most of the DP reside?

IN FAMILIES OF THE COMMUNITY ............................................. 1
INDEPENDENTLY IN NORMAL HOUSES AND FLATS .................. 2
IN PUBLIC BUILDINGS .................................................................. 3
IN ABANDONED HOUSES .......................................................... 4
IN TENT CAMPS ........................................................................... 5

3. Do the displaced persons live...

A. IN LOCAL SCHOOLS YES..1  NO..2 [IDPSCH]
B. IN LOCAL HEALTH CARE BUILDINGS YES..1  NO..2 [IDPHEA]
C. IN CLUBS YES..1  NO..2 [IDPCLU]
D. IN OTHER PLACES (SPECIFY_______________) YES..1  NO..2 [IDPOTH]
4. Are the DP provided with...

4A. distribution of food? YES..1  NO...2 [IDPFOOD ]
4B. free medical service? YES..1  NO...2 [IDPMED ]
4C. assistance finding work? YES..1  NO...2 [IDPJOB ]
4D. child care? YES..1  NO...2 [IDPCHL ]

5. When did the majority of DP arrive here?

WITHIN THE LAST YEAR ............................................................. 1 [ IDPARR ]
FROM ONE TO THREE YEARS AGO ........................................... 2
MORE THAN THREE YEARS AGO ............................................... 3

6. Do DP continue to arrive?

YES, MANY STILL ARRIVE ........................................................... 1 [ IDPARRS ]
YES, SOME STILL ARRIVE .......................................................... 2
NO ............................................................................................. 3

7. Have any of the DP left this community?

YES, MOST HAVE LEFT ............................................................... 1 [ IDPLEFT ]
SOME HAVE LEFT ........................................................................ 2
A FEW HAVE LEFT ...................................................................... 3
NO, NONE HAVE LEFT .................................................................. 4

8. To where did most of them move?

THEY RETURNED TO THEIR FORMER PLACES ........................ 1
 ANOTHER COMMUNITY .............................................................. 2
 WITHIN THIS RAION ................................................................ 3
 TO ANOTHER RAION ............................................................... 4

9. What part of the displaced people who still reside here managed to find jobs in this community?

MOST DP ...................................................................................... 1 [ IDPEMP ]
SOME .......................................................................................... 2
A FEW .......................................................................................... 3
NONE ............................................................................................ 4

10. What kind of work do the majority of DP who managed to find work do?

AGRICULTURAL WORK ............................................................... 1 [ IDPEMPK ]
MANUAL LABOR .......................................................................... 2
ADMINISTRATIVE WORK ............................................................ 3
TRADE ........................................................................................... 4

11. What are the major problems the displaced people encounter?

WRITE IN ORDER OF IMPORTANCE

A. _______________________________________________________________
B. _______________________________________________________________
C. _______________________________________________________________

SECTION 5. EDUCATION

1. What part of the school-age boys attend school?

ALMOST ALL BOYS ................................................................. 1 >Q3 [ BOYSCH ]
MORE THAN HALF, BUT NOT ALL ............................................. 2
HALF OF THE BOYS ................................................................. 3
LESS THAN HALF ....................................................................... 4
ONLY SOME OF THE BOYS ...................................................... 5
NONE ........................................................................................... 6

2. Why don’t some boys in this PP attend school?

WRITE IN ORDER OF IMPORTANCE

A. _______________________________________________________________
B. _______________________________________________________________
C. _______________________________________________________________

3. What part of the school age girls attend school?

ALMOST ALL OF THE GIRLS ...................................................... 1 >Q5 [ GIRLSCH ]
MORE THAN HALF, BUT NOT ALL ............................................. 2
HALF OF THE GIRLS ................................................................. 3
LESS THAN HALF ....................................................................... 4
ONLY SOME OF THE GIRLS ...................................................... 5
NONE ........................................................................................... 6

4. Why don’t some of the girls attend school?

WRITE IN ORDER OF IMPORTANCE

A. _______________________________________________________________
B. _______________________________________________________________
C. _______________________________________________________________
5. What are the major serious school problems in this PP from the point of view of the people? WRITE IN ORDER OF IMPORTANCE
A.______________________________________________________________
B.______________________________________________________________
C.______________________________________________________________

6. Are there enough teachers at schools in this PP?
YES ............................................................................................... 1  [ TEACH ]
NO ................................................................................................. 2

7. Do most schools have satisfactory....
A. buildings? YES..1 NO...2 [ BLDG ]
B. desks/chairs? YES..1 NO...2 [ DESK ]
C. textbooks? YES..1 NO...2 [ TEXT ]

8. In general, what is the quality of schools in this PP?
EXCELLENT.................................................................1  [ SCHQ ]
GOOD..............................................................................2
SATISFACTORY..................................................3
BAD..................................................................................4

9. Have the schools in this community improved, deteriorated, or remained the same position for the last 5 years?
IMPROVED.................................................................1  [ SCHIMP ]
DETERIORATED..................................................2
IN THE SAME POSITION.................................3

10. How?
WRITE IN ORDER OF IMPORTANCE
A.______________________________________________________________
B.______________________________________________________________
C.______________________________________________________________

SECTION 6. HEALTH
1. What are the major health problems of the adults in this PP? WRITE IN ORDER OF IMPORTANCE
A.______________________________________________________________
B.______________________________________________________________
C.______________________________________________________________

2. What are the major health problems of children in this community? WRITE IN ORDER OF IMPORTANCE
A.______________________________________________________________
B.______________________________________________________________
C.______________________________________________________________

3. What are the major health care problems with the population in this community? WRITE IN ORDER OF IMPORTANCE
A.______________________________________________________________
B.______________________________________________________________
C.______________________________________________________________

4. In general, how does the health service work in this PP?
EXCELLENT .................................................................1  [ HSERQ ]
GOOD..................................................................................2
SATISFACTORY..................................................3
BAD..................................................................................4

5. Where do most of the women in this PP give birth to their children?
IN A HOSPITAL .................................................................1  [ CBIRTH ]
IN A MATERNITY HOME ..............................................2
AT HOME........................................................................3
IN THE DOCTOR'S OFFICE .............................4
IN ANOTHER PLACE ..............................................5

6. Was there any immunization campaign in this PP in the last 5 years?
YES..................................................................................1  [ IMMUN ]
NO..................................................................................2
7. Are the most often used drugs, for example penicillin, available in the local drug store?

| YES, ALWAYS AVAILABLE | 1 |
| AVAILABLE ONLY SOMETIMES | 2 |
| NEVER AVAILABLE | 3 |

8. Has the health service in this community improved, deteriorated, or remained without any change for the last 5 years?

| IMPROVED | 1 |
| DETERIORATED | 2 |
| THE SAME | 3 |

SECTION 7. AGRICULTURE

1. What part of the population in this community is engaged in agriculture?

| MOST OF THE HOUSEHOLDS | 1 |
| ONLY SOME | 2 |
| NONE | 3 |

2. What major agricultural crops are grown by this community?

WRITE IN ORDER OF IMPORTANCE

A. ________________________________
B. ________________________________
C. ________________________________

3. What are the major agricultural problems do the people of this PP have?

WRITE IN ORDER OF IMPORTANCE

A. ________________________________
B. ________________________________
C. ________________________________

4. What part of agricultural produce is received from irrigated fields?

| ALMOST ALL | 1 |
| MORE THAN HALF, BUT NOT ALL | 2 |
| HALF | 3 |
| LESS THAN HALF | 4 |
| ONLY A SMALL PART | 5 |
| NOTHING | 6 |

5. Does a representative of the Ministry of Agriculture visit farmers in this PP?

| YES | 1 |
| NO | 2 |

6. Do any of the farmers participate in the work of a cooperative?

| YES | 1 |
| NO | 2 |

7. Do any of the farmers use chemical fertilizers?

| YES | 1 |
| NO | 2 |

8. Do any of the farmers in this community use insecticides and herbicides?

| YES | 1 |
| NO | 2 |

9. Did rain fall more or less during the last 12 months in comparison with the previous 12 months?

| MORE | 1 |
| LESS | 2 |
| THE SAME | 3 |

10. Do the population in this PP sell or buy land?

| YES | 1 |
| NO | 2 |

11. How much does a hired man earn in a day at the following kinds of work...

A. weeding? (IN MANAT)

| ALMOST ALL | 1 |
| MORE THAN HALF, BUT NOT ALL | 2 |
| HALF | 3 |
| LESS THAN HALF | 4 |
| ONLY A SMALL PART | 5 |
| NOTHING | 6 |

12. How much does a hired woman earn in a day at the following work...

A. weeding? (IN MANAT)

| ALMOST ALL | 1 |
| MORE THAN HALF, BUT NOT ALL | 2 |
| HALF | 3 |
| LESS THAN HALF | 4 |
| ONLY A SMALL PART | 5 |
| NOTHING | 6 |

13. How much does a hired child earn in a day at the following kinds of work...

A. weeding? (IN MANAT)

| ALMOST ALL | 1 |
| MORE THAN HALF, BUT NOT ALL | 2 |
| HALF | 3 |
| LESS THAN HALF | 4 |
| ONLY A SMALL PART | 5 |
| NOTHING | 6 |

14. Is there a system of mutual assistance among the farmers in this community while doing field work?

| YES | 1 |
| NO | 2 |
