<i>Preface</i>	<i>ix</i>
<i>About the Authors</i>	<i>xi</i>
<i>Abbreviations</i>	<i>xii</i>
1 Introduction	1
The Issues	2
Guide to the Book	7
Notes	11
2 The Historical Context and Policy Debates	13
Decollectivization	16
Creating a Market	20
Debates	23
Regional Differences	30
Conclusions	34
Notes	35
3 Data and Summary Statistics	37
The Vietnam Living Standards and Household Living Standards Surveys	37
The Initial Land Allocation	39
The 1993–98 Household Panel: Land Reallocations	48
Overall Comparisons of Poverty and Landlessness, 1993–2004	53
A Pseudo-Panel Based on Age Cohorts for 1993–2004	59
Lessons from the 2004 Land Module	60
Community-Assessed and Self-Assessed Welfare	62
Data from the Survey of Impacts of Rural Roads in Vietnam	64
Annex 3A: Irrigated-Land Equivalents	66
Annex 3B: Means of Key Variables by Age Cohort, 1993 and 2004	70
Notes	72
4 Welfare Impacts of Privatizing Land-Use Rights	75
Models of the Actual and Counterfactual Land Allocations	76

	Empirical Implementation	78
	Regressions for Consumption and Allocated Land	81
	Welfare Comparisons	90
	Conclusions	97
	Annex: Theoretical Model	97
	Notes	99
5	Land Reallocation after the Introduction of a Land Market	101
	Gainers and Losers from the Initial Administrative Allocation	103
	Modeling the Postreform Land Reallocation	105
	Results	108
	Conclusions	119
	Notes	120
6	Rising Landlessness: A Sign of Success or Failure?	121
	Land Markets, Occupational Choice, and Welfare	122
	Incidence and Sources of Rising Landlessness	125
	Rising Landlessness and Urbanization: Evidence from the Pseudo-Panel	140
	Poverty-Increasing Landlessness?	142
	Conclusions	148
	Annex 6A: Model of Occupational Choice with and without a Land Market	149
	Annex 6B: Data for Decomposition of the Change in Aggregate Landlessness	155
	Notes	156
7	Access to Credit for the Landless Poor	159
	Land and Credit	159
	Land and Participation in Antipoverty Programs	162
	Why Are the Landless Poor Being Missed for Targeted Credit?	167
	Conclusions	172
	Notes	173
8	Conclusions	175
	References	183
	Index	193

Figures

3.1	Frequency Distributions of Consumption, 1993 and 2004	40
3.2	Lorenz Curves for Annual and Perennial Cropland in Rural Vietnam, 1993 and 2004	58

3.3	Households Classified as Poor by the Commune, 1999 and 2003	63
3.4	Self-Assessed Increases in Living Standards, 1999–2004	65
4.1	Distribution of Consumption Losses Relative to the Efficient Allocation	93
5.1	Proportionate Land Reallocations from 1993 to 1998 against the Proportionate Land Deficit (Efficient Minus Actual) in 1993	109
5.2	Proportionate Land Reallocations from 1993 to 1998 Relative to the 1993 Efficiency Loss, Stratified by Quintile of 1993 Household Consumption per Person	110
6.1	Landlessness and Consumption per Person in Rural Vietnam, 1993 and 2004	126
6.2	Noncultivating Households Compared with Landless Households, 1993 and 2004	128
6.3	Landlessness and Consumption per Person for Ethnic Minorities, 1993 and 2004	129
6.4	Landlessness and Consumption in Rural Areas of the Two Deltas, 1993 and 2004	130
6.5	Land and Living Standards for Those with Land, 1993 and 2004	131
6.6	Share of Annual Cropland That Is Irrigated, 1998 and 2004	132
6.7	Land-Quality Gradients as Assessed by Commune Authorities, 1998 and 2004	132
6.8	Incidence of Market-Based Land Transactions, 1994–2004	133
6.9	Incidence of Land Selling, 1997 and 2003	134
6.10	Incidence of Land Buying	134
6.11	Sources of Land in Rural Vietnam, 2004	135
6.12	Incidence of Land Titles Based on the Vietnam Household Living Standards Survey, 2004	135
6.13	Incidence of Land Titles Based on the Survey of Impacts of Rural Roads in Vietnam, 1997 and 2003	136
6.14	Wage Earners by Household Consumption per Person, 1993 and 2004	137
6.15	Wage Earners by Household Consumption per Person in the Two Deltas, 1993 and 2004	138
6.16	Landlessness Rates by National Age Cohorts, 1993 and 2004	141
6.17	Changes in Landlessness Rate and Urbanization Rate, 1993–2004	142
6A.1	Functions Used in the Theoretical Analysis ($g_1(A_0) = g_0(A_0)$)	152

7.1	Perceived Credit Constraint, 1993 and 2003	160
7.2	Formal Credit Use by Consumption, 1993 and 2004	162
7.3	Use of Informal Credit Sources, 1993 and 2004	163
7.4	Participation in Targeted Antipoverty Programs, 2004	165
7.5	Incidence of Participation in Antipoverty Programs in Rural Mekong Delta, 2004	166
7.6	Knowledge about the Antipoverty Programs, 2004	169
7.7	Impacts of the Antipoverty Programs on Community- Assessed and Subjective Welfare, 2004	171
7.8	Impacts of Antipoverty Programs, by Land Status	172

Tables

3.1	Variable Definitions and Descriptive Statistics, 1993	45
3.2	Variable Definitions and Summary Statistics, 1993–98	49
3.3	Poverty, Inequality, and Landholding Status in Rural Vietnam	54
3.4	Poverty, Inequality, and Landholding Status, by Region	56
3A.1	Determinants of Farm Profits	68
3B.1	Means of Key Variables by Age Cohort, 1993 and 2004	70
4.1	Reduced-Form Regressions for Consumption	82
4.2	Determinants of Consumption	84
4.3	Actual Land Allocations Compared to Consumption- Efficient Allocations	87
4.4	Mean Consumption, Inequality, and Poverty under Alternative Land Allocations	91
4.5	Mean Consumption, Inequality, and Poverty with Mobility between Communes	96
5.1	Proportionate Gain in Allocated Annual Agricultural Land, 1993–98	112
5.2	Effects of Adding Controls on the Partial Adjustment Coefficients	113
5.3	Determinants of Changes in Allocated Annual Agricultural Land	114
5.4	Disposal of Allocated Land	118
6.1	Decomposition of the Change in Aggregate Landlessness, 1993–2004	139
6.2	Pseudo-Panel Data Regressions for the Changes in Landlessness and Urbanization as Functions of 1993 Characteristics	143
6.3	Panel Data Regressions for Change in Log Consumption per Person, 1993–98	148
6B.1	Data for Decomposition of the Change in Aggregate Landlessness	155
