Migrants' transfer	..	..	..	..	..	..	..	..

\* 10.0% of GDP in 2006. \*\*0.1% of GDP in 2006. This table reports officially recorded remittances. The true size of remittances, including unrecorded flows through formal and informal channels, is believed to be larger. Total flows may not always equal the sum of the components as they may have been taken from alternative sources.

**Migration and Remittances Factbook** is compiled by Dilip Ratha and Zhimei Xu, Migration and Remittances Team, Development Prospects Group, World Bank.
