## Agriculture and Rural Development 17

Non-market and Market-Based Land Allocation in Vietnam	17
Land Consolidation	18
Inequality and Investment: Land Tenure and Soil Degradation in the Indus Basin	18
The Benefits and Costs of Organic Agriculture: Evidence from Cuba	19
Assembling and Disseminating Pesticide Use Data from Developing Countries	19
Spatial Patterns of Poverty, Development, and Environment	20
Farm Productivity and Market Structure: Evidence from Cotton Reforms in Zambia	21
Distortions to Agricultural Incentives in East Asia	21
Distortions to Farm Incentives	21
Extension and Documentation of the Tariff Rate Quota Databank with Analysis of Tariff Structures	22
Macro-Micro Linkages of Irrigated Water Management	23
Capacity Building Activity to Train Users of a Methodology Developed in the Study: “Macro-Micro Feedback Links of Irrigation Water Management”	23
Impact of Credit on Agriculture	24
Impact of Weather Insurance in Malawi	24

## Environment and Natural Resources Management 26

Climate Change Mitigation and Sustainable Development: Risks, Benefits, and Institutional Implications	26
Climate Change and Rural Development in South America	26
Institutions for Climate Change Adaptation	27
The Impacts of Sea Level Rise	27
Environmental Indicators	28
Markets for Environmental Resources	28
Economic Instruments for Habitat Conservation	29
The Functional Value of Biodiversity	30
An Economic Assessment of Agricultural Expansion and Deforestation in Tropics	31
Environmental Performance Rating and Disclosure in Ghana	32
Public Disclosure of Industrial Pollution in China	32
Foreign Direct Investment and Pollution Havens	33
Urban Pollution: Measurement and Cost	33
Strengthening Public Pressure for Environmental and Water Resource Protection in Indonesia	34
Methods for Allocating Water among Competing Uses under Stochastic Supply Conditions	34
Cooperative Arrangements for Water Allocation under Competition among Water Use Sectors	35
Bangladesh Toxic Targeting: Identification of “Hot Spots” for the Agriculture, Health, and Environmental Agencies of Bangladesh	35
Evaluation of the Integrated Pest Management: Environmental and Social Safeguard Directive - East Asia (Vietnam)	36
Impact of Indoor Air Pollution on Children’s Health	36
The Economics of Pesticide Contamination in Bangladesh	37
Improving Indoor Air Quality for Poor Families: Proposal for a Controlled Experiment in Bangladesh	37

The State of the Global Carbon Market	37
Understanding and Improving the Environmental Performance of Township-Village Industrial Enterprises in China	38
Understanding and Improving Environmental Governance in Developing Countries	39
Capital Markets and Environmental Performance: Evidence from South Korea	39

## **Finance and Banking 40**

Finance Research Program FY 2005-2007	40
Financial Sector Policy and the Poor	42
Financial Market Stability	42
Does Regulation Lead to Informal Credit?	43
Individual and Group Default Incentives in Microfinance	43
Testing the Effectiveness of Group vs. Individual Liability	43
Remittances and Financial Development	44
Barriers to Banking	44
Bank Privatization in Developing Countries	45
How Banks Go Abroad: Branches or Subsidiaries?	46
Foreign Banking	47
Globalization and International Capital Flows	47
International Financial Integration of China and India	49
Bank Regulation and Supervision: Where Do We Stand?	50
The Impact of Accessing International Capital Markets on Firms' Value	50

## **Governance, Political Economy, and Public Sector Management 52**

Making Services Work for the Poor	52
Political Economy of Public Services	52
Limited Access Orders and Integration of Political and Economic Systems	53
The Economics of Secession: Inequality, Globalization, and Self-Determination	54
Implementing Affirmative Action in the Public Service	54
Human Rights and Basic Services	55
Bargaining for Bribes: The Role of Institutions	55
The Relevance of Information for Service Delivery	55
Information Campaigns to Improve Public Services	56
The Impact of Citizen Report Cards at the Community Level	57
Citizen Report Cards at the Community Level - Impact Evaluation	57
Corruption and Development	58
Information and Voice	59
Local Governance in India	59
Absenteeism of Teachers and Health Workers	60
Governance and Service Delivery	61
Public Expenditure and Service Delivery in Chad	62
Nongovernmental Organizations as Service Providers in Developing Countries	62
Prevention of Corruption in the Selection and Employment of Professional Consultants - Inception Report	63
Development Impact Evaluation Initiative	63
The Impact of Institutions on Development	64
Poverty Dynamics & Service Delivery -Evaluation of Completed Research Projects	65
Evaluation of Community Managed Schools in Nepal	65

Public Finance Decentralization in China	66
Participatory Poverty Assessment and Public Service Delivery	66

## **Health, Population, and Nutrition**      **68**

Research on HIV/AIDS Prevention and Treatment	68
The Economics of AIDS Epidemics	68
The Role of Testing in HIV/AIDS Epidemics	69
Improving the Effectiveness of AIDS Treatment while Strengthening Prevention in Free State Province, South Africa	69
Evaluating the Impact of Antiretroviral Treatment	70
Evaluating the Impact of AIDS Prevention and Treatment Services in Four Countries	70
The Plight of Orphans and Vulnerable Children in Nairobi Urban Slums in the Face of HIV/AIDS	71
Understanding Adult Mortality in Developing Countries	71
Long-term Consequences of Conflict	71
Determinants of Success in Immunization Programs	72
Valuing Mortality Risk Reductions	72
Community Nutrition and Evaluation of Impacts in Africa	73
Valuing Improvements in Road Safety in Delhi, India	74
Reproductive and Child Health and Human Development	74
Public Health and the Environment	74
Reaching the Poor with Health, Nutrition, and Population Services	75
Health Care Financing and Delivery	76
Social Health Insurance and Tax-Financed Health Care in Europe and Central Asia: Spending and Labor Market Implications	77
The Impact of Health on Household Income Capabilities in Rural China	77
Health Care Providers and Markets in Delhi	78
Contracting with the Private Sector for the Delivery of Health Services: Randomized Evaluation in Cambodia	78
The Demand for Sex Selective Abortions	79
Economic Costs of Mental Health Ailments	79
The Interaction of Health, Education, and Employment in Western China	80

## **Human Capital Development; Labor and Employment**      **81**

What Drives Mass Education? Economy, Policies, Institutions	81
Growth, Redistribution, and Human Development: A Decomposition Method with Applications to Schooling in Morocco and Vietnam	81
Trends in International Trade in Higher Education Services: Implications and Options for Developing Countries	82
University-Industry Linkages in Metropolitan Areas in Asia	82
Sources of Inequity in Human Development Outcomes	84
Quantitative Service Delivery Surveys to Improve Schooling	84
Impact Evaluation of Social Protection Programs in the Nahouri Province	86
Schooling and Poverty in Laos	86
Evaluating Chile's Education System	87
An Evaluation of Alternative Food for Education Approaches	87
Improving School in Pakistan	88
Changing Gender Bias in a Fast-Developing Country: A Case Study of Malaysia, 1984–97	89
Evaluating the Impact of HIV/AIDS Prevention Education in Primary Schools: Western Province, Kenya	89
Child Labor and Access to Credit	90

Evaluating the Impact of Conditional Cash Transfers on School Outcomes in Cambodia	91
Benefits of Conditional Cash Transfers in Cambodia	91
Evaluating the Impact of the Bono de Desarrollo Humano Cash Transfer Program—Ecuador	92
Globalization and School Attainment	92
Assessing Argentina’s Preparedness for the Knowledge Economy	93
Labor Regulations and Technology in India’s Retail Stores	94
Labor Issues in Service Delivery: Pay, Incentives, and Performance of Service Providers	94
Labor Informality: Estimating the Benefits and the Costs in Brazil	94

## **Infrastructure and Urban Development 96**

Infrastructure Reform in Developing Countries	96
The Distributional Effects of Utilities Reforms: A Low-Cost Evaluation Methodology	97
Dynamics of Rural Energy Use in Bangladesh	97
Emergence from Subsistence: Infrastructure, Location, and Development in Nepal	98
Measuring Quantity-Quality Tradeoffs in Regulated Industries	98
Price Structure and Network Externalities in the Telecommunications Industry: Evidence from Sub-Saharan Africa	99
Assessing the Impact of Roads: An Instrumental Variable Approach	99
Competition and Corruption in Public Procurement: Evidence from Infrastructure Projects	100
The Livestock Industry and Infrastructure Development	100
Information Technology and Development	101
The Impact of Rural Roads on Poverty: The Case of Bangladesh	101
Impact Evaluation of a Rural Road Rehabilitation Project in Vietnam	101
Impact Evaluation of Rural Infrastructure Programs	102
Identification and Analysis of Urban Disaster Risk	102
Motorization	103
Urban Transport and the Welfare of the Poor	103
The Impact of Bus Rapid Transit in Accra, Ghana	104
Equity and Efficiency in Local Government Revenue Generation	104
The Dynamics of Global Urban Expansion	105
Dynamics of Urban Poverty – A Case Study of Rio de Janeiro, Brazil	105

## **International Migration and Development 107**

International Migration: Implication for Growth and Welfare	107
Regional Integration and Migration with Agglomeration	107
Remittances and Migration	108
Household Surveys on International Migration and Remittances in Ghana	109
Household Surveys of International Migration and Remittances in Pakistan	109
International Migration and Development – The case Study of the Brazil Nikkei Households	110
Medical Brain Drain and Labor Markets	110
Immigration to Switzerland	111
Migration, Poverty, and Income Strategies in Albania	111

## **International Trade and Investment 112**

Global Trade Architecture	112
Political Economy of Trade Policy	113

Regional Integration and Development	114	
Determinants of Trade Policy in Developing Countries	114	
Estimating Trade Elasticities	115	
The Impact of Trade Liberalization and International Exposure on Labor and Capital Adjustment Functions in Uruguay	115	
Trade Facilitation	116	
Trade Policy Data Support/Dissemination	117	
Trade and Production II, 1976-2003	118	
Trade Costs, Export Competitiveness, and Development Prospects	118	
Trade Openness Can Be Good for Growth If Accompanied by Complementary Reforms	119	
Beyond Openness: Trade and Behind the Border Policy Reforms	119	
Trade Policies in Landlocked Countries	121	
Deep Integration and the Adjustment Process in Mexico	122	
Agricultural Trade Reforms and Their Impact on Rural Poverty	122	
Export Crops, Marketing Costs, and Poverty	123	
Poverty Alleviation through Reducing Distortions to Agricultural Incentives	123	
Reducing Distortions to Agricultural Incentives	124	
Anti-dumping and Safeguard Actions by Developing Countries	124	
Safeguards and Antidumping in Latin American Trade Liberalization	125	
Economic Analysis of Regional Poverty Issues Using Computable General Equilibrium Modeling	125	
Evasion of Import Tariffs	125	
Export Diversification in Egypt, Jordan, Lebanon, Tunisia and Morocco	126	
Latin America and the Caribbean Respond to China and India	126	
Measuring Real GDP and Trade Distortions	127	
Road Infrastructure in Europe and Central Asia: Does Network Quality Affect Trade?	127	
Trade and Capacity Building in Russian Speaking Countries	127	
Transnational Production Networks in East Asia and the Pacific	128	
Services Analysis, Modeling and Capacity-Building	128	
Services Trade Policy	129	
Standards, Regulatory Reform, and Trade Facilitation	130	
World Trade Organization Agricultural Trade Reforms and Their Impact on Poverty: Consumption and Income Effects	131	
Agricultural and Non-Agricultural Trade Reform under the Doha Development Agenda	131	
Agricultural WTO Trade Reforms and Their Impact on Poverty: Consumption and Income Effects	133	
Developing Countries and World Trade Organization Dispute Settlement	134	
Doha and Poverty in Low-Income Countries	134	
Doha, Trade and Poverty	134	
Effects for the Russian Federation of Accession to the World Trade Organization	135	
Implementation of Obligations under World Trade Organization Agreements	136	
World Trade Organization Accession, Policy Reform, and Poverty Reduction in China	137	
Trade and Foreign Direct Investment Reform and Poverty	138	
The Role of Investment Promotion Agencies in Attracting Foreign Direct Investment to Developing Countries	138	
Rules of Origin and Heterogeneity of Firms	139	
Environmental and Labor Market Regulation and Foreign Direct Investment	139	
Foreign Direct Investment and Labor Market Interactions	140	
Productivity and Employment Effects of Foreign Acquisitions	140	
Spillovers from Foreign Direct Investment through Vertical Relationships	140	

## **Macroeconomics and Growth; Investment Climate** 142

Fiscal Policy and Growth	142
Firm Analysis and Competitiveness Survey Research	142
The Investment Climate and the Micro Underpinnings of Growth	143
Firm Dynamics and Growth	144
Microeconomics of Productivity Growth in Eastern Europe and the Former Soviet Union	145
Growth, Innovation, and Reform	146
Knowledge and Economic Development	146
Evaluating Public Policies	146
Macroeconomics and Financial Development	147
Macroeconomic Volatility and Development	148
Real Exchange Rate Misalignment and Its Impact in and outside Africa	148
Decentralization and Local Participation	149
Housing and the Macro Economy	150
Quality of Aid	150
Aid and the Millennium Development Goals	150
Debt, Debt Relief, and Growth	151

## **Poverty and Inequality** 152

Equity and Development: A Research Program on Poverty and Inequality	152
Looking Beyond Averages: A Research Program on Poverty and Inequality	154
The Methodology of Poverty Assessments	156
LSMS Phase III	157
LSMS IV: Research for Improving Survey Data	158
Measuring and Understanding the Impacts of Development Projects	158
Long-Run Impacts of Health Shocks in Africa	158
Poverty and Health	159
Macroeconomic Crises and Child Health	160
Urban Poverty and Social Capital	161
World Poverty Monitoring	161
How Does Globalization Affect Middle-Income Strata? Evidence from Household Budget Surveys	161
Community Driven Development	162
Trade, Growth, and Poverty in the Least Developed Countries	162
Poverty Impacts of Egypt's Social Fund for Development	163
Aid Effectiveness	163
Are There Lasting Impacts of Aid to Poor Areas? Evidence from Rural China	164

## **Private Sector Development** 165

Investment Climate Research Program	165
Entrepreneurship Database	165
World Bank Group Entrepreneurship Database	166
Entry Regulation as a Barrier to Entrepreneurship	166
Competition and Labor Productivity in India's Retail Sector	167
Estimating the Returns to Capital	167
Agglomeration Economies: The Role of Horizontal and Vertical Linkages	168
Dynamics and Informal Sector and Economic Growth	168

The Informal Sector, Business Climate and Economic Growth in the West African Economic and Monetary Union Countries: Case Studies	169	
The Informal Sector in the Senegalese Economy: Policies for Productive Regulation		169
Informal Sector Competition in Latin America and the Caribbean	169	
Access to Finance and Firm Performance	170	
Evaluating the Impact of Mexico's Small and Medium Enterprise Programs Using Panel Data		170
When Do Creditor Rights Work?	171	

## **Social Development; Gender, Social Policies**                    **172**

Legacy of Social Inequality in Expectations, Norms, and Governance		172
Social Status in India and Political Economy in Transition Economies		172
The Economics of Reciprocity Networks	173	
Social Customs and Women's Status in Rural Pakistan	174	
Marriage Transitions and HIV/AIDS in Malawi	174	
Argentina: Social Security and Elderly Welfare	175	
The Macro and Welfare Impacts of Notional Defined Contribution Pension Systems in a Partial-Dynamic General Equilibrium Model	175	
Effects of Unemployment Insurance	176	
Tackling Poverty in the Short and Long Run: An Assessment of the Experience of Conditional Cash Transfer Programs	176	

## **Social Protection and Risk Management**                    **178**

Civil War, Crime, and Violence	178	
The Economics and Politics of Post-Conflict Transitions – Follow-up		178
Post-Conflict Transitions	179	
Local Conflicts and Development Projects	180	
Crises, Polarization, and Reform	181	
STAR: Study of Tsunami Aftermath and Reconstruction	182	
Security and Development	182
