COM+ ALLIANCE PUBLIC ANNOUNCEMENT
*International Assessment of Agricultural Science and Technology
for Development (IAASTD) available for public comment*

September 19, 2007—The COM+ Alliance of Communicators for Sustainable Development (www.complusalliance.org) announces that after three years of an intensive collaborative effort, the first results of the *International Assessment of Agricultural Science and Technology for Development (IAASTD)* will be available for public comment as of September 20th at 5:00 PM (EST) on www.agassessment.org.

Governments, private sector, civil society groups, and research institutions are encouraged to provide their comments from September 20th to October 18th.
