Please be advised that we have been notified of the circulation of a World Bank bidding document for the purchase of procurement of pharmaceutical products financed by a World Bank loan to the IAMB (International Advisory and Monitoring Board on Iraq). The Invitation for Bids states that the bidding document can be purchased for a non-refundable fee of US\$2,850, including a US\$500 registration fee. **THIS INVITATION TO BIDS IS A FAKE.** IAMB is not a contracting authority nor does IT receive loans from the World Bank.
