

Overview on the Status on applications of PEFA Performance Measurement Framework¹

Update by the PEFA Secretariat on September 29, 2011

This overview is based on information provided by the PEFA partners and any other information made available to the Secretariat. Whereas every effort is made to ensure completeness and accuracy of the information, the Secretariat cannot guarantee that the list reflects all global use of the PEFA Performance Measurement Framework. It includes assessments of central government as well as sub-national level (SN). For information on individual assessments, please refer to the detailed status list.
