			All 46 small states		
			30,766		
			2,565		

^{a/} Per capita income data not available for 2004; figures shown are latest available in 2000-03
^{b/} Per capita income data not available for 2004; figures shown are latest available in 2007.

Note: The World Bank does not have an official 'small state' category. Among the 46 countries listed above are 42 World Bank developing and transition member countries with populations of less than 1.5 million, as well as Botswana, Jamaica, Lesotho, and Namibia, which are also invited to the Small States Forum though their populations are above 1.5 million (see *Small States: Meeting Challenges in the Global Economy*, Commonwealth Secretariat/World Bank Joint Task Force report, April 2000, available at www.worldbank.org/smallstates).
