

E-LEARNING DEVELOPMENT AND TRAINING FOR EDUCATORS IN THE SEYCHELLES

Summary Report

Project Name: **e-Learning Development and Training for Educators in the Seychelles**
Project Ref No: **TP SCE 01**
Beneficiary State: **Seychelles**
Beneficiary Institution: **National Institute of Education, Seychelles**
Service Provider: **The Virtual Centre for Innovative Learning Technologies,
University of Mauritius**

1. PROJECT OBJECTIVES

The main objective of the twinning project was to identify and produce a technical report institutional gaps relating to e-learning in the Seychelles and propose a way forward to the Seychelles in this regard.

Other objectives included training and re-training of teachers in secondary schools and post-secondary institutions in approaches for e-learning and the use of software, materials and equipment for e-learning

2. PROJECT DELIVERABLES

- Between 19th and 24th January 2009, two experts (Mrs Dorothy Cooshna-Naik and Mr Mohamad Santally) from the University of Mauritius visited the Seychelles to identify institutional gaps and suggest the way forward towards the development of e-learning in the Seychelles.
- On 25 May 2009, the technical report was submitted to the network by the technical advisor after consultation with the Ministry of Education of the Seychelles, and after considering the review of the report by Dr. Matthew Montebello of the Department of Artificial Intelligence, University of Malta.
- Between 23rd and 28th February 2009, five teacher trainers from the Seychelles visited the University of Mauritius for a period of 5 days to gain first hand experience of the system in operation in the Mauritius and to receive training in the use of software, materials and equipment for e-learning.
- In March 2009, adverts appeared in the National Press of the Seychelles and Mauritius, briefly describing the project. On 15th March 2008, the Final Administrative Report in connection with the Project was submitted to the Network.
- On 16 July 2009, the technical report was submitted to the Seychelles Minister for Education Bernard Shamlaye at the National Institute of Education by Mr Christ Paddia from the Mauritius Ministry of Finance, on behalf of the SSNED.

EXPRESSION OF GRATITUDE BY THE GOVERNMENT OF ST LUCIA

In a letter dated 10th July 2009, Mr Ahmed Afif, Principal Secretary in the Ministry of Finance, on behalf of the Government of the Seychelles, thanked the SSNED for providing the necessary funding for the twinning project to take place.

He stated that the project had been conducive towards helping the 'National Institute of Education' in setting standards and updating the Seychelles educational systems to a more efficient and effective educational system through the use of modern technology.

Mr Afif concluded his letter by thanking the SSNED for the assistance in the twinning project and looked forward to further collaboration with the network.
