

**ARTF**  
**Administrator's Report on Financial Status**  
**as of January 21, 2008 (end of Jadi – 10<sup>th</sup> month of SY1386)**

**1. Donor contributions for SY1386**

Total donor pledges for SY1386 amount to US\$679.14 million comprising US\$383.35 million (56%) without preference and US\$295.79 million (44%) with preferences. Table 1 reflects, as of January 21, 2008, the paid-in donor contributions (amounting to US\$629.37 million – 93% of the total pledges).

**Table 1: ARTF Contributions for SY1386, as of January 21, 2007 (in US\$ million)**

**2. Projected Consolidated ARTF Sources and Uses of Funds for SY1386**

Table 2 presents projected sources and uses of funds for SY1386 on a consolidated basis. The sources of funds are net donor contributions (contributions less IDA fees plus investment income). Cash balance at the end of SY1385 is carried over to SY1386.

Uses of funds comprise: (a) disbursements to the recurrent budget, set at US\$291 million<sup>1</sup>; (b) disbursements under the ARTF investment financing, estimated at US\$185 million for the year; and (c) fees for the Monitoring Agent of about US\$4.75 million<sup>2</sup>.

<sup>1</sup> Includes disbursement of US\$ 14.55 million for SY1385 expenses and US\$ 276 million for SY1386 recurrent expenses.

<sup>2</sup> This includes US\$ 1 million for the special Internal Control Framework job, US\$ 2.25 million for services rendered till September 2007, and US\$ 1.5 million for services from October 2007 till the end of SY1386.

## Financials as of January 21, 2008

As of January 21, 2008 the cash balance of ARTF stood at US\$513.40 million comprising: (a) a US\$88.68 million cash balance in the recurrent cost financing (excluding the US\$50 million in the Designated Account); (b) combined undisbursed balance of the ARTF active investment portfolio of US\$104.30 million; and (c) US\$7.83 million reserved for the Monitoring Agent, leaving an unallocated cash balance of US\$262.59 million.

**Transfers of US\$57 million for the Mazar-e-Sharif & Kabul / Aybak Power project and US\$14 million for the Microfinance Program are still pending. Therefore, effectively, the unallocated available cash balance as of January 21, 2008 is US\$191.59 million.**

(1) Advance disbursements reported following standard World Bank practice.

(2) Assumes all pledges collected, and estimates of future allocations and disbursements are met.

(3) SY1386 forecasted balance (previous balance + new commitments - disbursements) is based on projected contributions, commitments and disbursements.

(4) The Mazar-e-Sharif and Kabul / Aybak Project allocation of US\$ 57 million and Microfinance Program allocation of US\$14 million is yet to be transferred.

(5) Amounts paid into the Trust Fund, but not yet disbursed, are managed by the Trustee, which maintains an investment portfolio (the "Pool") for all of the trust funds administered by the World Bank Group. The Pool is subdivided into sub-portfolios to which allocations are made based on fund specific investment horizons and risk tolerances and other eligibility requirements set by the Bank. Generally, the Pool is invested in liquid financial instruments such as money market instruments, government and agency obligations, mortgage-backed securities, and other high-grade bonds. Based on the Bank's investment strategy for trust funds, each sub-portfolio is invested in a combination of these asset types consistent with the applicable risk tolerance for the sub-portfolio. Share in Pooled Cash and Investments represents the Trust Fund's pro-rata share of the Pool's fair value at the end of the reporting period. The fair value is based on market quotations, where available. If quoted market prices are not available, fair values are based on quoted market prices of comparable instruments. The corresponding proportionate interest income and investment gains/losses, accrue to the Trust Fund in the period in which they occur.

### 3. Recurrent Cost Financing requirements

In SY1386, a total cash amount of US\$291 million must be made available to the Government (via the Recurrent Cost Trust Fund account) to finance (a) the agreed amount of US\$ 276 million (which assumes the entirety of this amount is actually disbursed in SY1386), and (b) US\$ 14.55 million in SY1385 expenses for which cash disbursement was made in 1386. Given the opening cash carried forward from SY1385 to SY1386 was US\$ 75 million, the amount of cash to be transferred totals US\$ 285.5 million whereas cash disbursements during SY1386 are projected to be US\$ 290.5 million.

Quarterly transfers of US\$ 72 million each are projected, the exact timing of which may be at the beginning of the quarter or mid-quarter, depending on a timing which best suits the Government. Making transfers in line with the transfer schedule set out in the table below will ensure also that at the end of the Solar Year the Recurrent Cost Trust Fund account balance will be equal to the agreed buffer of US\$70 million. The estimate of funding allocations to the recurrent cost financing for a specific quarter is determined by comparing the balance of the Recurrent Cost financing trust fund<sup>3</sup> to the estimated disbursement requirement for the quarter in question, plus a reserve equal to the next quarter disbursement requirements. As such, actual quarterly transfers may vary somewhat from the schedule below. For SY1386, the forecast appears below.

**Table 3: Recurrent Cost Financing Requirement for SY1386 (in US\$ million)**

	March 22, 2007 – January 21, 2008	January 22, 2008 – March 21, 2008	SY1386
Opening Balance	75*	89*	75*
Disbursements	(272)**	(19)	(291)**
Transfers	286	-	286
Closing Balance	89*	70*	70*

*\*These balances do not include Special Account (working capital) balance of US\$50 million.*

*\*\*Includes disbursement of US\$ 14.55 million made for SY1385 expenses. Carry forward of reimbursement of prior budget year's eligible expenses is not likely to occur from SY1386 onward because allocation should be exhausted by the end of the Solar Year.*

<sup>3</sup> This excludes an advance of US\$50 million for working capital which must be maintained at all time.

#### 4. Investment Project Financing

As of January 21, 2008, the ARTF investment financing comprised of 11 active investment projects, with combined commitments of US\$394.05 million, of which US\$275.53 million had been disbursed (70%). **Disbursements for SY1386 are projected at US\$ 185 million (SY1386 disbursements as of January 21, 2008 were US\$133.63).**

**Table 4: Transfers based on Management Committee Approvals (in US\$ million) for Investment Projects, and Projections for SY1386 as of January 21, 2008**
