

## World Bank Activities in Yemen

### Republic Yemen: Current Bank-funded Projects

<b>Rural Water Supply and Sanitation (P005906)</b>	
<p>Amount: US\$20 million            Approval Date: 12/21/2000            Effectiveness Date: 10/23/2001            Closing Date:            Implementing Agency: Ministry of Water and Environment            Telephone: +967-1-412-822</p>	<p><b>Development Objectives &amp; Main Components</b></p> <p>The Project Development Objective is to expand sustainable rural water supply and sanitation (RWSS) service coverage by: (i) introducing a demand-driven and participatory approach to RWSS development; (ii) assisting the Government in building and strengthening local RWSS capacity; and (iii) helping Government formulate the agreed demand-driven and participatory principles in a coherent national RWSS strategy. The project components are:</p> <p>(i) Water Supply (ii) Environmental sanitation (iii) Institutional Strengthening, project management, studies and training; (iv) National Rural water supply strategy, investment Plan.</p> <p><b>This operation includes a US\$20.0 million Additional Financing, approved on January 15, 2008.</b></p> <p><a href="#">Link to project document--PAD</a></p> <p><a href="#">Additional Financing Project Paper</a></p>
<b>Health Reform Support Project (P043254)</b>	
<p>Amount: US\$27.53 million            Approval Date: 03/28/2002            Effectiveness Date: 01/22/2003            Closing Date: 08/31/2009            Implementing Agency: Ministry of Health &amp; Population            Telephone: +967-252-223</p>	<p><b>Development Objectives &amp; Main Components</b></p> <p>The development objectives are to: (i) increase access for women and children to a package of integrated maternal and child health services provided in district hospitals and health centers in selected districts; and (ii) improve the effectiveness of national public health programs and the resource allocation within the public health sector in Yemen.</p> <p>The project components are: (i) Strengthening health service delivery; (ii) Strengthening public health programs; (iii) Improving health systems management; (iv) Improvement of national Family Health and reproductive health programs; (v) Capacity building; (vi) Credit administration and project coordination.</p> <p><a href="#">Link project document--PAD</a></p>

<b>Civil Service Modernization (P050706) &amp; (P107015)</b>	
<p>Amount: US\$30 million  Approval Date: 04/20/2000  Effectiveness Date: 11/29/2000  Closing Date: 06/30/2010  Implementing Agency: 1. AFMIS PIU  2. Ministry of Civil Service &amp; Insurance  Telephone: +967-1-243-013  +967-1-294-207</p>	<p style="text-align: center;"><b>Development Objectives &amp; Main Components</b></p> <p>The objective is to create sustained utilization of human and financial resources in the administration. To this end, the project would help put in place core personnel and financial management systems, establish a mechanism to reduce the number of unqualified civil servants, and initiate a restructuring process in individual ministries. To make this foundation as solid as possible, another objective of the project is to upgrade the management capacity in the civil service.</p> <p>The project components are: (i) Core systems improvement (non-AFMIS); (ii) core systems improvement (AFMIS); (iii) civil service fund; (iv) Streamline and rationalize; (v) Building capacity (vi) Program management (vii) PPF refinancing</p> <p><b>This operation includes a US\$14.0 million Additional Financing, approved on April, 3, 2008.</b></p> <p><a href="#">Link to project document--PAD</a></p> <p><a href="#">Link to Additional Financing Project Paper</a></p>
<b>Urban Water Supply and Sanitation APL (P057602)</b>	
<p>Amount: US\$125.26 million  Approval Date: 08/01/2002  Effectiveness Date: 11/24/2002  Closing Date: 12/15/2009  Implementing Agency: Ministry of Water and Environment  Telephone: +967-235-113</p>	<p style="text-align: center;"><b>Development Objectives &amp; Main Components</b></p> <p>The objective of the project is to provide efficient and sustainable water and sanitation services in Yemen's major urban areas. APL Program Purpose and Phasing:  To provide efficient and sustainable water and sanitation services in Yemen's urban areas through: (i) Increase in urban water supplies initially through improved operation and reduction of water losses (Phase I), and subsequently, through development of new water resources including the reuse of wastewater (Phase II). (ii). Improvement of sector management through establishment of financially viable regional corporations with significant participation of the private sector. (iii). Provision of affordable sewerage facilities that assure protection of the environment and permit the reuse of wastewater for agriculture or artificial recharge.</p> <p>The project components are: (i) Rehabilitation and improvement of water and wastewater facilities; (ii) institutional support; (iii) Sana'a maintenance fund; (iv) Unallocated</p> <p><a href="#">Link to project document--PAD</a></p>
<b>Irrigation Improvement (P062714)</b>	
<p>Amount: US\$21.3million  Approval Date: 09/07/2000  Effectiveness Date: 01/18/2001  Closing Date: 12/31/2008  Implementing Agency: Ministry of Agriculture and Irrigation  Telephone: +967-1-282-445</p>	<p style="text-align: center;"><b>Development Objectives &amp; Main Components</b></p> <p>The main objectives of the Phase I project would be to ensure: (i) sustainable water use in two spate irrigation project area of Tuban and Zabid, covering 26,000 ha, through (a) rehabilitation and modernization of infrastructure, and (b) participatory irrigation management (PIM); and (ii) increase in agricultural productivity and rural incomes through implementation of an intensive demonstration program.</p> <p>The project components are: (i) Rehabilitation, improvement and protection of spate irrigation infrastructure; (ii) Irrigation and environment management and PIM; (iii) Intensive agriculture demonstration program (iv) Institutional strengthening, capacity building and PMU.</p> <p><a href="#">Link to project document - PAD</a></p>

<b>Sana'a Basin Water Management Project (P064981)</b>		
		<b>Development Objectives &amp; Main Components</b>
Amount:	US\$24 million	<p>The Program Objective is to seek long-term solutions and promote sustainable groundwater management in the Sana'a Basin. Ultimately, given the recharge of the deep aquifer is very limited, the key goal is to extend the life span of the aquifer through reductions in groundwater abstractions through irrigation efficiency improvements.</p> <p>The first five-year phase of the Project is planned to assist Yemen in (i) increasing the efficiency of agricultural water use within the Sana'a Basin; and (ii) accelerating aquifer recharge to allow for a gradual shift to a less water-based rural economy.</p> <p>The key project components are (i) demand management and irrigation improvement; (ii) supply management and recharge improvement; (iii) institutional development and capacity building; (iv) information and public awareness campaign; (v) environmental management and mitigation program; (vi) project management and monitoring; (vii) phase II project preparation.</p> <p><a href="#">Link to Project document--PAD</a></p>
Approval Date:	06/03/2003	
Effectiveness Date:	12/22/2003	
Closing Date:	06/30/2009	
Implementing Agency:	Ministry of Water and Environment	
Telephone:	+967-1-235-113	
<b>Port Cities Development Program (P065111)</b>		
		<b>Development Objectives &amp; Main Components</b>
Amount:	US\$23.4 million	<p>The project objective Phase I: To establish a viable institutional and organizational framework at the local level, coupled with key capacity building and physical investments, enabling private-sector led growth in Aden in key business clusters. Preparation work in Hodeidah and Mukalla.</p> <p>The project components are: (i) Revitalizing Aden's economy and business clusters 1.1 access improvements 1.2 city revitalization 1.3 upgrade small; (ii) Port cities strategic and physical planning 2.1 city development strategy 2.2 physical planning studies 2.3 capita; (iii) Aden local capacity building and administrative modernization; (iv) Unallocated</p> <p><a href="#">Link to Project document--PAD</a></p>
Approval Date:	01/23/2003	
Effectiveness Date:	07/14/2003	
Closing Date:	12/31/2008	
Implementing Agency:	Ministry of Planning and International Cooperation	
Telephone:	+967-2-250-634	
<b>Taiz Municipal Development and Flood Protection (P070092)</b>		
		<b>Development Objectives &amp; Main Components</b>
Amount:	US\$45.2 million	<p>The project objective is to protect city residents, businesses and infrastructure from seasonal destructive flash flooding in the City of Taiz. Taiz local Government develops its capacity to carry out a major part of their responsibilities under the country's new Local Authorities Law. To initiate support for Yemen's decentralization program.</p> <p>The project components are: (i) Flood protection structures; (ii) Resettlement; (iii) Capacity building for local councils; (iv) Re-Pay PPF</p> <p><b>This operation includes a US\$20.0 million Additional Financing, approved on February 25, 2008.</b></p> <p><a href="#">Link to Project document--PAD</a></p> <p><a href="#">Link to Additional Financing Project Paper</a></p>
Approval Date:	11/01/2001	
Effectiveness Date:	02/26/2002	
Closing Date:	10/31/2010	
Implementing Agency:	Ministry of Public Works and Roads	
Telephone:	+967-1-264-066	

<b>Groundwater and Soil Conservation Project (P074413)</b>	
<p>Amount: US\$40 million  Approval Date: 02/26/2004  Effectiveness Date: 08/17/2004  Closing Date: 10/31/2011  Implementing Agency: Ministry of Agriculture and Irrigation  Telephone: +967-1-28-2445</p>	<p><b>Development Objectives &amp; Main Components</b></p> <p>The project objective is (i) To improve water use efficiency and increase farmers return to water through ad option of water saving technologies; (ii) Increase surface and groundwater availability through rehabilitation of small to medium spate irrigation schemes, terrace rehabilitation, bank protection works and other water and soil conservation activities; (iii) Establish a groundwater management framework and institution to manage local water resources sustainable through capacity building of government water institutions and community groups.</p> <p>The project components are: (i) Modernization and Improvement of Groundwater Irrigation Systems; (ii) Improvement of spate irrigation, water harvesting and soil conservation; (iii) Institutional strengthening of water institutions.</p> <p><a href="#">Link to Project document--PAD</a></p>
<b>Basic Education Development Program (P076185)</b>	
<p>Amount: US\$65 million  Approval Date: 09/23/2004  Effectiveness Date: 03/14/2005  Closing Date: 06/30/2010  Implementing Agency: Ministry of Education  Telephone: +967-000-000</p>	<p><b>Development Objectives &amp; Main Components</b></p> <p>The project objective is to assist the Government in expanding the provision of quality basic education to all, with special attention given to gender equity. The Project will pay special attention to: (i) increasing the enrollment and retention of girls, and (ii) promoting equity at all levels of the basic education system by ensuring the inclusion of all children in the education system, especially those with special needs.</p> <p>The project components are: (i) Access; (ii) quality and; (iii) capacity building.</p> <p><a href="#">Link to Project document--PAD</a></p>
<b>Social Fund for Development III (P082498)</b>	
<p>Amount: US\$60 million  Approval Date: 02/26/2004  Effectiveness Date: 08/15/2004  Closing Date: 12/31/2009  Implementing Agency: Social Fund for Development  Telephone: +967-1-44-9671</p>	<p><b>Development Objectives &amp; Main Components</b></p> <p>The project objectives are: to further improve access of low income groups to basic social services, while providing an example of an effective, efficient, and transparent institutional mechanism for providing social services in Yemen by: (i) refining social service delivery approaches and (ii) empowering local communities and councils to take charge of their local development.</p> <p>The project components are: (i) Community development; (ii) Micro-enterprise development; (iii) Capacity building and institutional support.</p> <p><a href="#">Link to Project document--PAD</a></p>

<b>Third Public Works (P082976)</b>		
<p>Amount: US\$45 million  Approval Date: 02/26/2004  Effectiveness Date: 07/15/2004  Closing Date: 06/30/2011  Implementing Agency: Ministry of Planning &amp; International Cooperation  Telephone: +967-1-44-8109</p>	<p><b>Development Objectives &amp; Main Components</b></p> <p>The overall development objective would be to continue supporting the Borrower in the: (a) provision of needed infrastructure to improve services and environmental conditions (particularly those affecting women and children); and (b) creation of short term employment.</p> <p>The project components are: (i) Community infrastructure; (ii) technical assistance/consultant services; (iii) project management.</p> <p><b>This operation includes a US\$29.84 million Additional Financing, approved on April 17, 2008.</b></p> <p><a href="#">Link to Project document--PAD</a></p> <p><a href="#">Link to Additional Financing Project Paper</a></p>	
<b>Second Rural Access (P085231)</b>		
<p>Amount: US\$40 million  Approval Date: 11/08/2005  Effectiveness Date: 06/07/2006  Closing Date: 11/30/2010  Implementing Agency: 1. Rural Access Program Central Management Office  2. Road Maintenance Fund  Telephone: +967-1-465-226/  +967-1-441-844</p>	<p><b>Development Objectives &amp; Main Components</b></p> <p>The Project's specific development objective is to reduce isolation of the population of rural areas with high incidence of poverty. By the end of the project, about 250,000 people located in district centers and within 2.5 km of the project roads in rural areas, who do not currently have reliable access to Governorate centers, will be provided with such access.</p> <p>The project components are: (i) Rural Access roads; (ii) Institutional support and capacity building; (iii) Road maintenance</p> <p><a href="#">Link to Project document--PAD</a></p>	

<b>Second Vocation Training (P086308)</b>		
Amount:	US\$15 million	<b>Development Objectives &amp; Main Components</b> The project development objective is to provide the public training system with improved mechanisms for responsiveness to employment needs, and to enhance the capacity and effectiveness of the Skills Development Fund in articulating and financing the training needs of enterprises.  The project components are: (i) Monitoring & Evaluation, and Project Management; (ii) Design and Delivery of Training Programs; (iii) Reform of Skills Development Fund  <a href="#">Link to Project document--PAD</a>
Approval Date:	03/27/2007	
Effectiveness Date:	07/03/2008	
Closing Date:	05/31/2013	
Implementing Agency:	1. Ministry of Technical Education and Vocational Training 2. Skills Development Fund	
Telephone:	+967-1-202-366	
<b>Power Sector (P086865)</b>		
Amount:	US\$50 million	<b>Development Objectives &amp; Main Components</b> The project development objectives are to: (a) relieve critical supply constraints; (b) improve the overall technical efficiency and quality of electricity supply; and (c) support the GOY's initiatives in reforming the sector, strengthen corporate governance, and improve organizational effectiveness of PEC through capacity building and training.  The project components are: (i) Power System Strengthening and Efficiency Improvement; (ii) Capacity Building and Sector Reform  <a href="#">Link to project document--PAD</a>
Approval Date:	05/23/2006	
Effectiveness Date:	02/12/2007	
Closing Date:	12/31/2011	
Implementing Agency:	Public Electricity Corporation	
Telephone:	+967-0-1-328-164	
<b>Fisheries Resource Management &amp; Conservation (P086886)</b>		
Amount:	US\$25 million	<b>Development Objectives &amp; Main Components</b> The project development objective is to achieve sustainable economic development of Yemen's fisheries sector and improved house hold incomes of fishing communities through better fish preservation, fish quality, and marketing.  The project components are: (i) Strengthening Fisheries Resource Management; (ii) Improved Fisheries Infrastructure and Fish Quality; (iii) Cooperative Development; (v) Project Design and Implementation Support  <a href="#">Link to Project document--PAD</a>
Approval Date:	12/15/2005	
Effectiveness Date:	07/12/2006	
Closing Date:	09/30/2011	
Implementing Agency:	Ministry of Fish Wealth	
Telephone:	+967-1-268-583	

<b>Rainfed Agriculture and Livestock (P089259)</b>	
<p>Amount: US\$20 million</p> <p>Approval Date: 07/06/2006</p> <p>Effectiveness Date: 09/24/2007</p> <p>Closing Date: 06/30/2012</p> <p>Implementing Agency: 1. Ministry of Agriculture and Irrigation 2. Social Fund for Development</p> <p>Telephone: +967-1-282-445 +967-1-449-671</p>	<p><b>Development Objectives &amp; Main Components</b></p> <p>The three-pronged Project Development Objective contributes to the higher development objectives of reducing poverty in rural areas and improving natural resources management. The project would enable poor rural producers in rainfed areas to: (a) improve their production, processing and marketing systems; (b) protect their assets: soil, water, rangeland, seeds and animals; and (c) get organized for the purpose of (a) and (b) above.</p> <p>The project components are: (i) MAI Seeds; (ii) MAI Livestock husbandry and health services; (iii) productive rural development (SFD); (iv) MAI Project support unit</p> <p><a href="#">Link to project document--PAD</a></p>
<b>Secondary Education Development and Girls Access Program (P089761)</b>	
<p>Amount: US\$20 million</p> <p>Approval Date: 03/18/2008</p> <p>Effectiveness Date: 06/16/2008</p> <p>Closing Date: 01/31/2015</p> <p>Implementing Agency: Ministry of Education</p>	<p><b>Development Objectives &amp; Main Components</b></p> <p>Project development objective is to support the Government of Yemen's program for improving gender equity, quality, and efficiency of secondary education in selected districts with a particular focus on girls in rural areas.</p> <p>The project will have four components as follows:</p> <p>(i) Interventions (US\$74.1 million total; IDA: US\$15 .0 million, including contingencies) Improving equity and reducing gender gaps through demand; (ii) Enhancing the quality of service delivery (US\$23.4 million total; IDA: US\$4.0 million, including contingencies); (iii) Supporting Secondary Education Policy Development (US\$1.5 million total; IDA: US\$0.3 million, including contingencies); (iv) Project Management and Monitoring (US\$4.4 million total; IDA: US\$0.8 million, including contingencies)</p> <p><a href="#">Link to Project document: PAD</a></p>
